Allen,
Its sure been fun having study hall with you. I hope you always retain that wonderful sense of humor. Remember all those practical jokes we ran into. I want to wish you all the luck in the world throughout your life. Be good now and I hope we are always friends.

Al, It has been real nice knowing you and we have had a lot of speech together. I've been in your good books and I know you will have loads of fun in your senior year. Good luck to a real swell kid.

Dear Al,

It has been the most fun knowing you this year. Remember the boring English classes we had together, or should I say not! Remember the Y.F.C. Banquet, how nice it was. - I know that I won't have to wish you "good luck" for it comes natural for a boy of your type. - Well, until next year, God be with you, and may you find real joy and fellowship as you serve Him. - I know you will go all the way

Love always in Christ,
Ellen Morrison

P.S. "Next year"?

PREFACE

In the 1960 Kla-Ta-Wa we would like to show you Progress, which we conceive to be a step forward, an advance toward our goals, a movement toward fulfilling dreams which have spurred us onward since our earliest childhood. Progress is everywhere—from our newly added junior high to rockets soaring through space.

Someday in the not-too-distant future men will be living in space stations and traveling in rockets. We can only suggest this to you through drawings; however, we know that countless advances are being made in the field of education here as well as elsewhere, and we will attempt to show you the progress S.H.S. is making.

With our increasing faculty and student body and to our wider scholastic choices and newer more modern buildings and equipment, we feel that we have made definite advances toward achieving our goals, the major objective of any educational system.

This is your Kla-Ta-Wa.

Dear Slob,
I have though all that I could, but I still can't think of anything nice that will fit you. You are still an ugly slob.
kidding of course.
Really it has been a lot of fun knowing you both in Government and track.
Be good this summer

As graduating seniors under present world conditions, you have a choice of two roads to follow. One pictures a universe of gloom and destruction and the other, a civilization of happiness and joy and accomplishment.

It is my hope that you will accept the responsibilities and the challenges of the new knowledges and the new horizons and help build a finer nation and a better world.

George A. Moore

Superintendent

Progress is not measured by scientific advancement alone. In recent years great strides have been taken in scientific areas; but, I am afraid, we have not kept pace morally. You may not all be capable of becoming famous scientists or mathematicians, but each of you can be morally sound. My hope is that you will help harness for good the scientific marvels which are being developed. The future lies in your hands — I pray that you will be prepared.

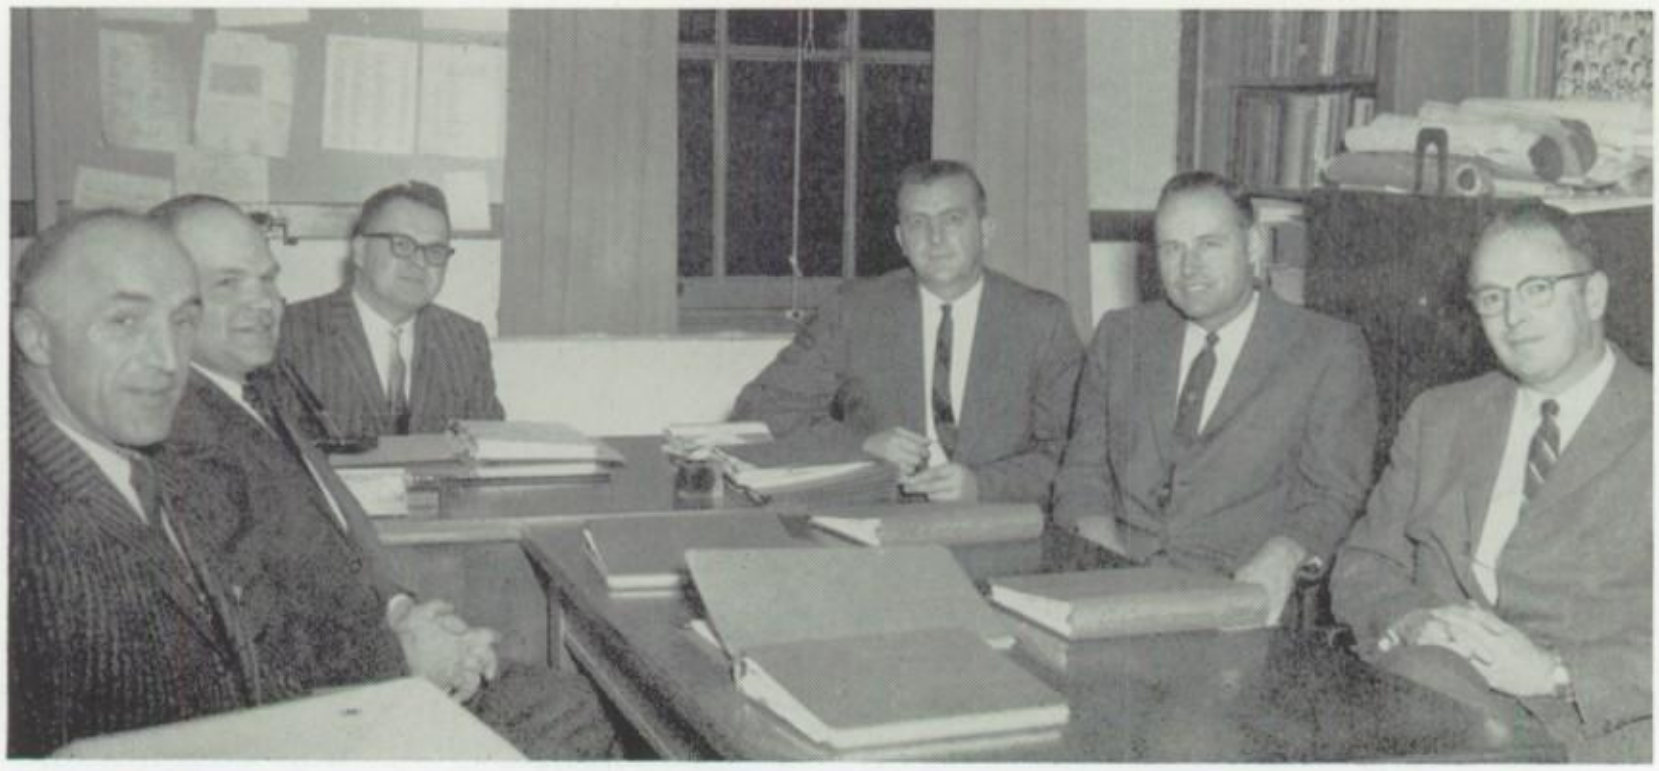
Harold B. Moe

Principal

Progress just does not happen; it is the result of hard work by dedicated people. There are many who do not like progress because it means living and doing things differently. I am sure all of you will be able to cope with the future, and yet not lose sight of the basic principles in our American way of life.

Maurice Hedlund

Vice-Principal



SCHOOL BOARD — Mr. Ferguson, Mr. Bailey, Mr. Gilbertson — newly elected, Mr. Lervick, Mr. Cedergreen, and Mr. Waltz.

SCHOOL BOARD

In all large organizations, corporations, and institutions an executive board is necessary. During the past year Snohomish High School had an excellent Board of Education which decided school policies and the manner in which they were to be carried out.

The members of the Board of Education gave up much of their free time so that they could work in behalf of the Snohomish schools. The decisions that this group made affected the entire student body because the decisions on school progress and improvement rested in the hands of this small group of dedicated men.

The students of Snohomish High are grateful and extend their thanks to these men for their unselfish service in our behalf.

OFFICE STAFF

The office staff at Snohomish High this past year served every teacher and student in an efficient manner. Pictured here are the four very competent women who composed the office staff.

Because the jobs of the secretaries were so numerous, girls were able to be members of the office staff during their study halls. Although these girls were not actually graded for their work as in other classes, they received credits toward graduation.

The duties of the office staff ranged from identifying unknown people for the annual to actually taking care of private matters for the school administrators. Although these women were generally quite busy with their own work, they frequently found time to stop and talk with the teachers and students.

STUDENT COUNCIL FIRST SEMESTER

The efficiency of this year's student council became evident after the first few meetings. Many service projects were originated in the council and carried out by the Student Body under the supervision of the president, Howard Babcock. Howard appointed the following members for the four standing committees:

Budget Committee:
Darlene Howell — Chairman
Richard Johnson Deloris Reed

Constitution Committee:
Joe Banks — Chairman
Bonnie Bennett Bill Kelly

Assembly Committee:
Dan Williams — Chairman
Sandy Skoor Sandra Prater

Charter Committee:
Jon Gobiet — Chairman
Sylvan Sherman Dave Aust

The first semster Student Council sponsored a successful UNICEF drive. A dance was also sponsored and the money from this dance was contributed to Care.

The council passed an amendment which stated that the treasurer shall be elected one semester prior to her actual term. Therefore, she shall serve one semester as assistant treasurer.

STUDENT COUNCIL SECOND SEMESTER

Under the guidance of Student Body President Howard Babcock, the second semester council ran in the same efficient manner as did the previous council. This was do to the fact that three of the officers were serving their second terms. Howard appointed the following members of the council to serve on the standing committees:

Budget Committee:
Darlene Howell — Chairman
Ann Wold Nora Kincaid

Constitution Committee:
Joe Banks — Chairman
Bill Kelly Miriam Schutt

Assembly Committee:
Dan Higgins — Chairman
Deloris Reed Richard Johnson

Charter Committee:
Jon Gobiet — Chairman
Becky Bueler Ross Purdy

A Board of Regulations was the primary project during the second semester. The purpose of this board was to set up a code, pertaining to the type of clothes the students should wear and the condition of those clothes. The code was to be a list of proposed suggestions and not compulsory rules for the students to follow .

The Student Council also sponsored Campus Day and A.S.B. elections in the spring.

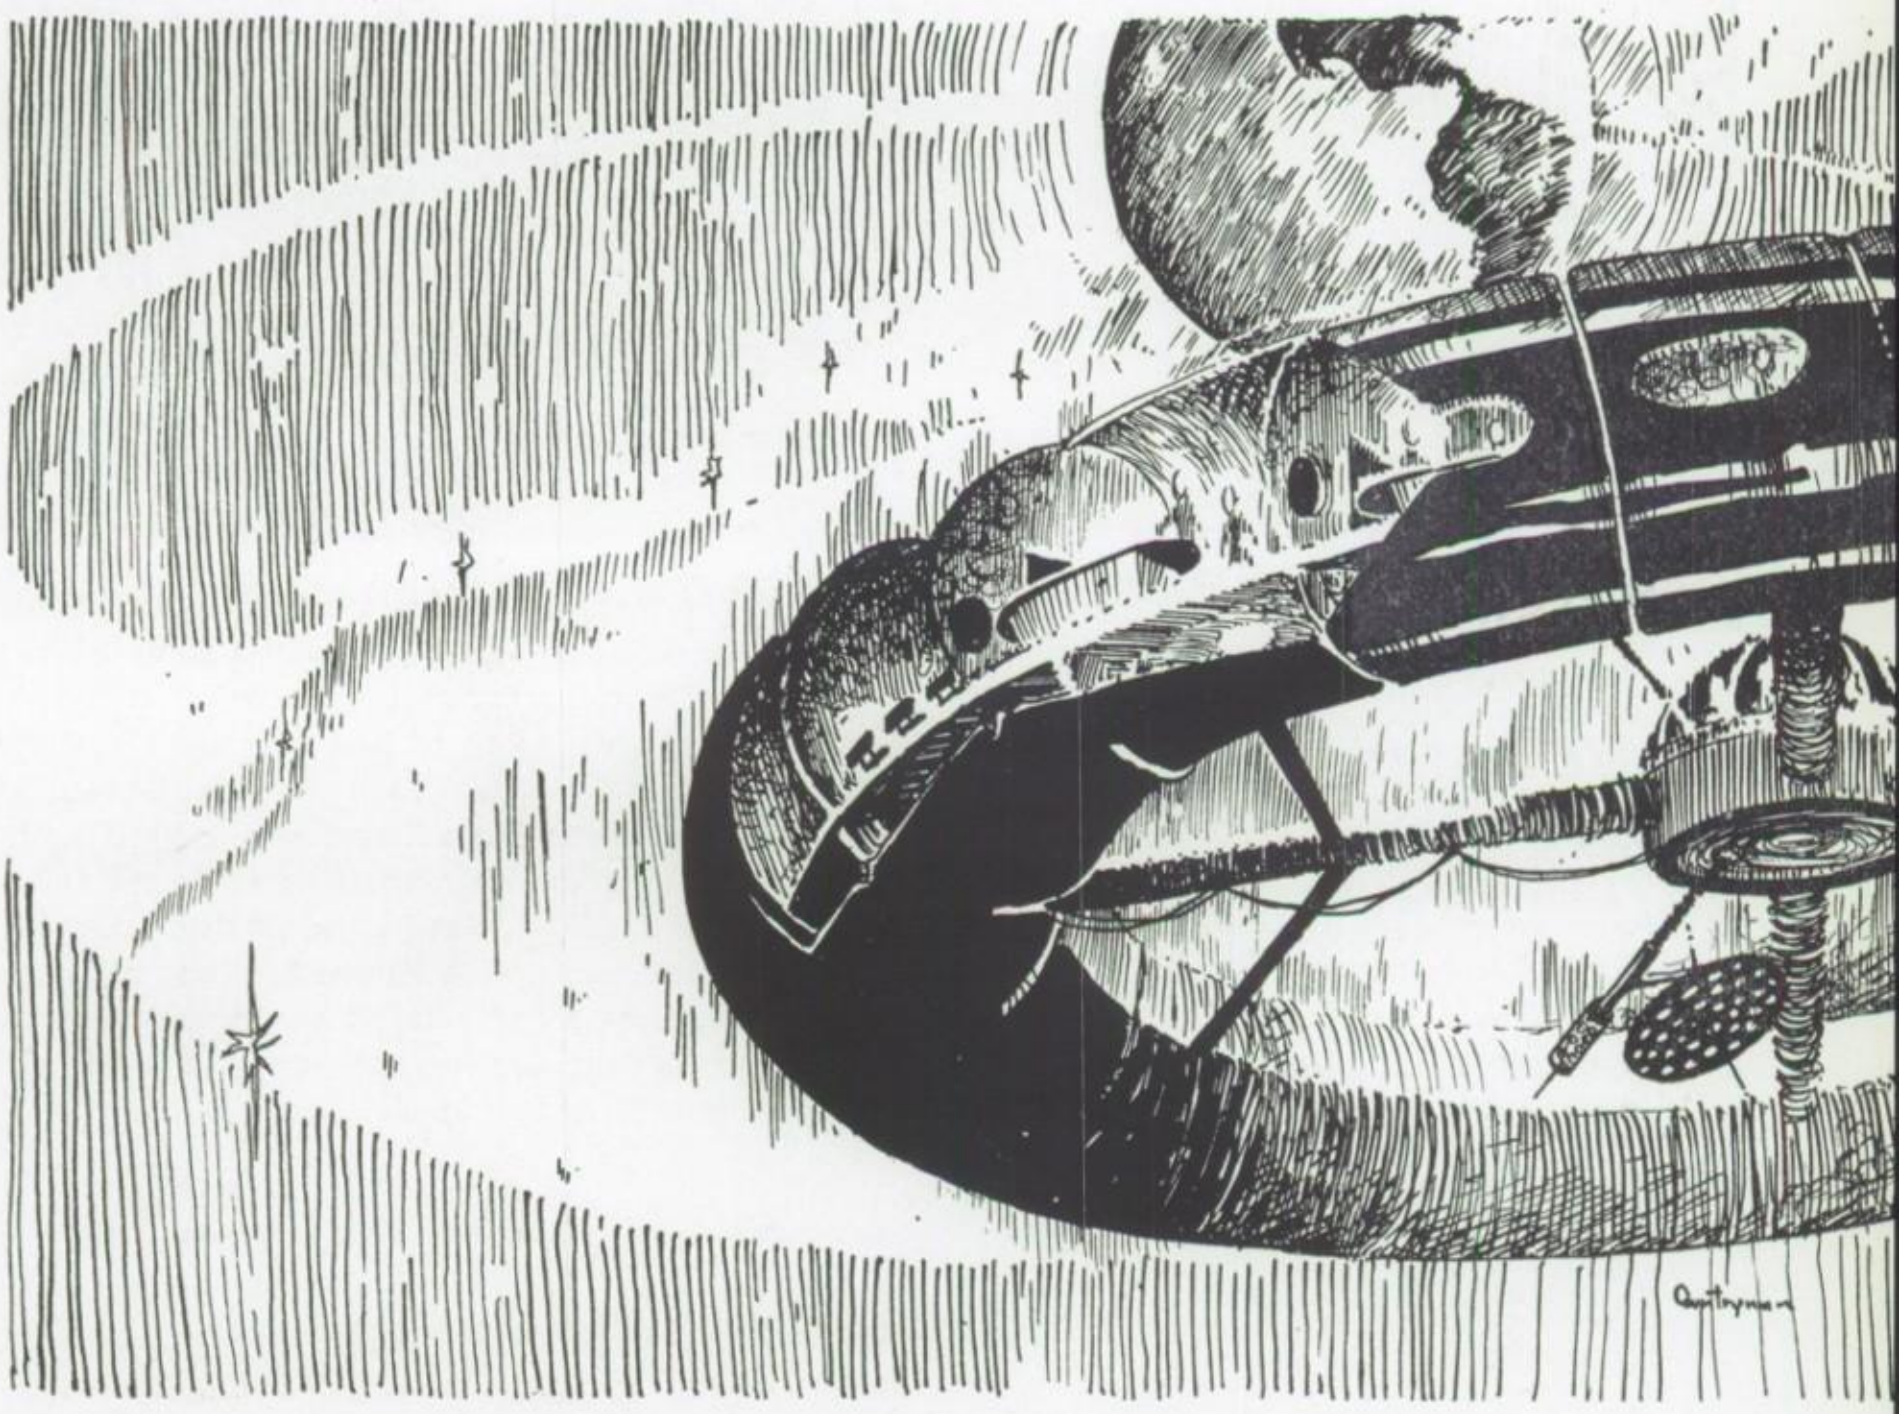
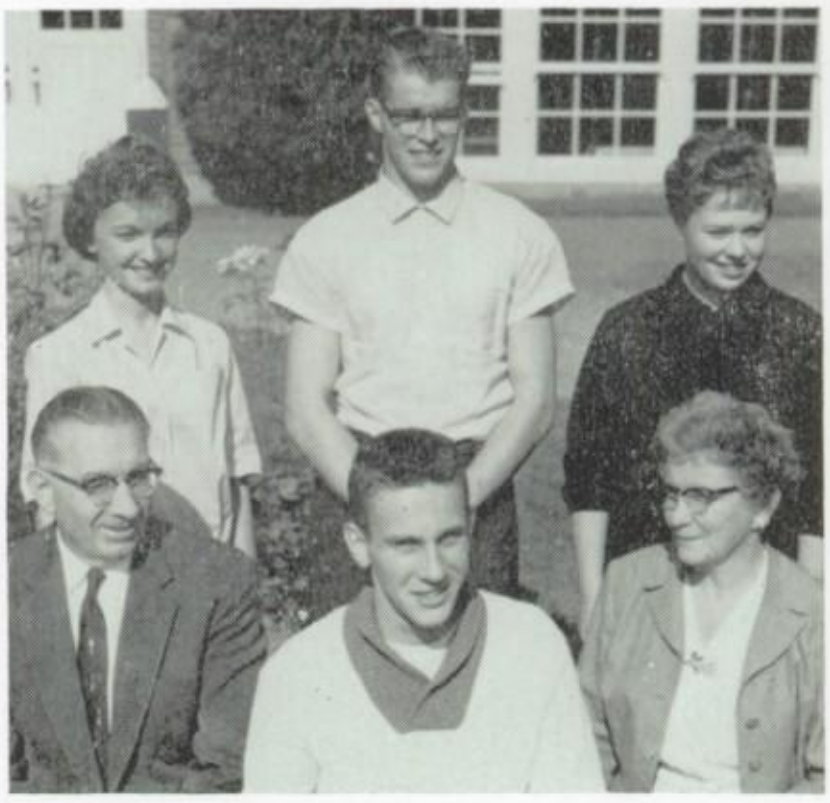
CLASSES



PROGRESS . . . The classroom of tomorrow may differ widely from that of today; but whatever the environment, scholastic achievement will always mean progress toward a brighter future. In this section we show you progress made by the students. In it we note the increase in school enrollment, the lengthened study hours, the more difficult subjects, and the higher grades attained. In the following pages observe yourselves at work and at play.



SENIOR CLASS OFFICERS — Top Row: Sharon Melnyk, secretary; Bill Prater, vice president; Carole Haur, treasurer. **Bottom Row:** Mr. Miles, Bud Rothgeb, president; Miss Fowler.

TOP TWELVE

For the second consecutive year Snohomish High School had twelve seniors who had maintained a 3.45 grade point average during the three years of high school. These twelve seniors not only were scholastic leaders, but they were also leaders in extra-curricular activities.

The subjects that these students took were basically the same. The majority of these seniors took college prep English, chemistry, and two years of a foreign language.

These seniors seemed to have varied interests concerning their college careers. Claire Brady is planning for a music career, while Jack Wheeler is going to take pre-med. Three boys, Ross Purdy, Maury Hedlund, and Gary Harkins, are going to take engineering. Anne Waltz and Morgan Davis are still undecided so they are taking a liberal arts course. Teaching is the chosen profession of Barbara Dubuque. Becky Bueler has decided to enter the business world, and Arlene Froembgen hopes to become a nurse. Sondra Henricks is going to major in English and speech, while Jim Poier will be taking air science.

THE ELITE FEW — Top Row: Jim Poier, Gary Harkins, Claire Brady, Arlene Froembgen, Ross Purdy, Maury Hedlund. **Bottom Row:** Sondra Henrichs, Anne Waltz, Becky Bueler, Barbara Dubuque. **Not Pictured:** Jack Wheeler, Morgan Davis.

SENIOR HISTORY

As seniors think back over their three years spent in high school, they can remember some events that bring laughter and others that turn them to a more serious mood.

Remember as sophomores, when the seniors had their first class meeting. Morgan Davis was elected president; Howard Babcock, vice president; and Dan Williams, secretary-treasurer. Under these leaders the class began their high school career. The first two activities of this class were two concessions for football games, which gave them a good start in building up the class treasury. Classes that were taken by most of these boys and girls included physical education, English III and IV, biology, geometry, and bookkeeping. In the spring, class rings were received. They were gold and ruby and bore the numerals '60, which at that time seemed a long way off.

As juniors the future class of '60 elected Howard Babcock, president; Rick Kester, vice president; Jean Lokken, secretary; and Bill Johnson, treasurer. The class was happy that several of the junior boys had lettered in sports and were holding key positions on various teams, including the sixth-in-the-state-ranked basketball team. During football and basketball season many of the pep squad girls were juniors. Subjects taken by the juniors that year were: United States history and government and English V and VI. The United States government classes were enlightened by a day taken off from school to visit the Washington state legislature. In the spring the juniors sponsored their first big social event. Through much hard work and cooperation the Junior Prom, Twilight Serenade, was deemed a huge success.

Moving into the last year in high school, the seniors elected Bud Rothgeb their president; Bill Prater, vice president; Sharon Melnyk, secretary; and Carole Haug, treasurer. The first major activity as seniors was to present the play, "Our Hearts Were Young and Gay." Marvel Johnson and Sondra Henrichs played the leading roles in this comedy presentation. The play, game concessions, and after-game dances helped to provide finances for the Senior Ball, Winter Wonderland, held early in December, which was a very successful formal affair. As the year progressed, the seniors saw graduation nearing. The seniors were busy buying calling cards, announcements, and being measured for caps and gowns. One of the days before graduation, the seniors held senior slop day. All members of this class dressed in various comic costumes, and it was a day everyone will remember for many years to come. The senior picnic and the senior banquet were also highlights of the spring of 1960. Then came final exams and many long hours of studying for them. Because it was an inspiration to all, Baccalaureate Sunday was a day that will long be remembered by the seniors. Commencement exercises were held on June 9, with two hundred students receiving diplomas. The seniors then realized that the high school graduation was bringing to an end a small phase of their lives.

Ahead lies the future, which will determine the lives and the professions of all the members of the class of 1960.

CONTEMPORARY WORLD PROBLEMS

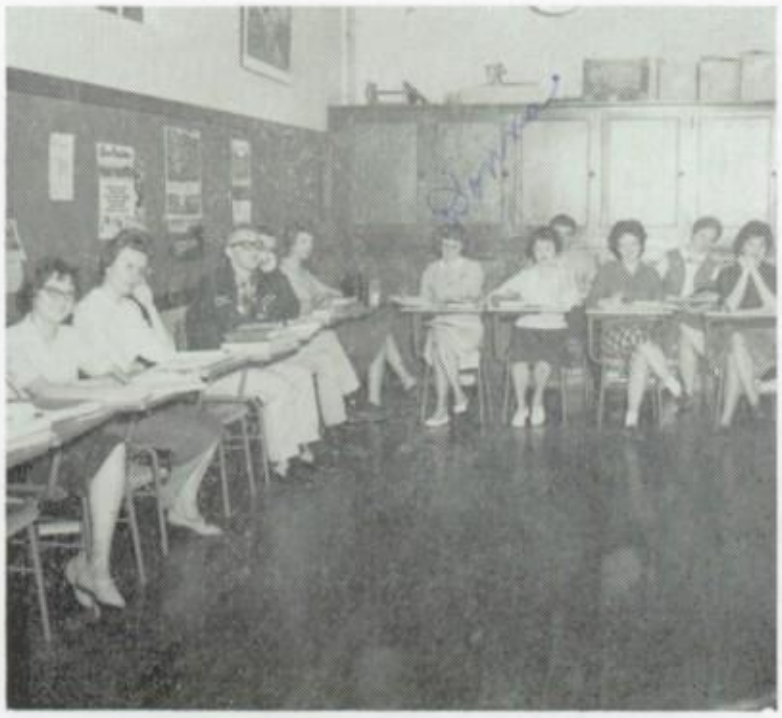
This past year all Snohomish High seniors were required to take a course in Contemporary World Problems. In this class the students learned the history, cultural background, technical developments, and the current problems that the countries were experiencing and their effect on the United States.

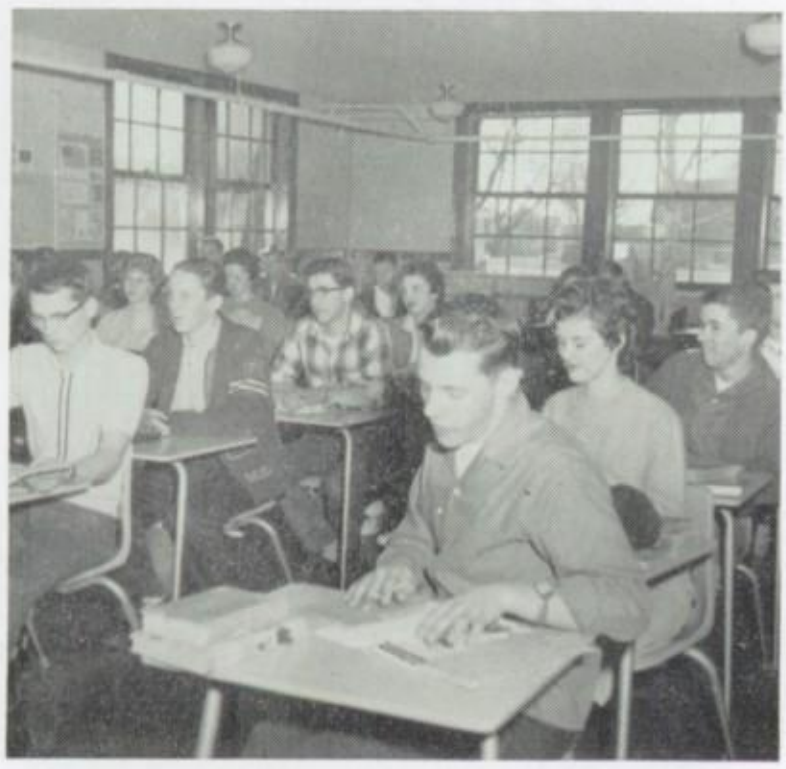
SENIOR ENGLISH

In senior English classes and in Contemporary World Problems term papers were required. Here three students and a teacher are going over background information before the actual writing of the paper. The writing of this paper helped the students because term papers are frequently college assignments.

ADVANCED TYPING

Since the majority of the senior girls were planning to enter the business world, the advanced typing class proved to be very educational. Here the girls learned how to type special forms and legal documents and to raise their typing speeds.





JUNIOR CLASS

In the fall the Junior class started progressing by having their first meeting. At this meeting they elected their officers for the 1959-60 school year. The students who were elected by the class to serve as their leaders were: Dean Dolquist, president; Nora Kincaid, vice president; Rita Bricker, secretary; and Deloris Reed, treasurer.

Since the Junior class had a specific goal to meet, the class was interested in earning money for the future spring project. During football season the Juniors sponsored a game concession, and an after-game dance during basketball season. These two projects helped to finance their project, a Junior Prom. As a result of the excellent returns from these money-making projects, the Juniors sponsored a very successful prom.

Although two complete courses in English and United States history and government were required for the juniors, many of the students excelled in other college prep and business sub jects. Many of the boys took physics and advanced mathematics, while shorthand and bookkeeping proved popular for the girls.

Junior boys were members of the football and basketball teams. In basketball, six Juniors played important positions on the school team. Many of the boys represented the school in track, tennis, baseball, and cross country.

The Junior girls had good representation on the pep squad this past year. During both football and basketball season, one half of the song and yell leaders were members of the Junior class. Deloris Reed, a yell leader from this class, served as the pep squad representative.

The members of the Junior class proved active in all school organizations and projects. Some of the members served on Student Council and others held offices in Girls' Club. The Latin Club, Spanish Club, and Lettermen's Club proved to have many junior members. Many of the Juniors had grade averages which allowed them to become members of Honor Society.

When the school year ended in June, the members of the Junior class were ready, willing, and able to become mighty Seniors.

SOPHOMORE CLASS

The sophomore class, the future class of '62, consisted of 238 boys and girls. This was the largest of the three classes for the S.H.S. 1959-60 school year.

As the sophomores were just beginning their high school career, three of their six classes were required classes. These classes were: English 3 and 4, biology or general science, and physical education. The majority of the students used at least one of their elective classes as a study hall. The geometry and bookkeeping classes served as a starting base for the students who were taking college prep or commercial courses.

Shortly after school re-opened in the fall, the sophomore class held its first general meeting. Mr. Smith, the biology teacher, and Mrs. Condell, the home economics teacher, who were the class advisers, presided over this meeting. The main objective of this meeting was the election of class officers. Those elected were: Neil Wheeler, president; Stan Posey, vice-president; Karyn Edwards, secretary-treasurer. These three officers served the sophomore class throughout the entire school year.

The sophomore class proved to be very sports minded. Five boys became members of lettermen's club. Football season showed twenty-two sophomore boys playing for S.H.S. and the basketball "B" team consisted of nine sophomore boys.

Many of the girls were also interested in participating in the Girls' Athletic Association. Sixty-eight sophomore girls turned out for basketball, and forty-five girls participated in bowling.

Under the supervision of Mr. Smith, seventy-three of the biology student went on a field trip to Camano Island on December 28, 29, and 30. The purpose of this trip was to familiarize the students with the habits and natural environment of the specimens they studied in the classroom.

The spring months brought the last few weeks of school for the present sophomore class. The sophomores spent these weeks studying for their final examinations, and participating in all-school events.

ART

The ability to express his feelings in the form of art work is very important to a well-rounded person. Here some beginning art students are learning how to express themselves.

BEAUTY SCHOOL

Even in an advancing city many independent shops can be found. After passing the beauty course at Snohomish High, girls are able to go forth and open their own beauty shops.

OFFICE MACHINES

A thorough knowledge of office machines will be necessary in order to keep correct and accurate notes concerning progress into space. In the office machines course girls learn to operate some of these very useful machines.

CONTEMPORARY WORLD PROBLEMS

Progress depends on how much the people of the world know about the activities of other countries. In Contemporary World Problems the students learn how the various conditions in different countries affect the world's problems.

CHEMISTRY

A vast knowledge of chemistry and physics will be necessary for those who are interested in being equipped to meet the space age. Here the students are acquiring this knowledge by doing experiments in this chemistry class.

PHYSICAL EDUCATION

All of school is not just studying. Here some of the students are shown taking dancing lessons in the physical education classes. Lessons in dancing will help the students to become socially adjusted in this progressive world.

TRIGONOMETRY

Progress in the space age will depend greatly on the amount of mathematics people have learned. At Snohomish High four years of mathematics are offered. Pictured is the trigonometry class, which is a section of advanced mathematics.

ENGLISH

Someday there may be a universal language. But at the present time, English is very important. Eleven courses in English, including speech, were offered this year. Here some students are intently interested in listening to this lecture on literature.

DANCE COMMITTEE FOR "TWILIGHT SERENADE" — Top Row: Howard Babcock, Rick Kester, George Willis, Glenn Warner. **Second Row:** Larry Countryman, Pam Frost, Darlene Howell, Sandy Hartman. **Bottom Row:** Jean Lokken, Charyl Dawson, Barbara Dubuque.

JUNIOR PROM

Quaint Spanish houses and a wishing well with multi-colored lighting gave the illusion of a twilight serenade. Such were the decorations for the 1959 Junior Prom which was held on Friday, May 8. Yellow and white programs gaily decorated with a wishing well added to the theme.

Pete Moris's Orchestra provided music in a modern jazz fashion. During intermission organ music was the main attraction.

SENIOR BALL

As couples arrived for the Senior Ball, they walked through a shell-like archway into a winter wonderland. This motif was used by the class of '60 to decorate for the December 4 affair. White, blue, pink, and silver were the main colors creating the effect of ice and snow. The Ivy Five, a band from Everett High School, played music in a style which pleased everyone. The class of '60 had sponsored another successful dance.

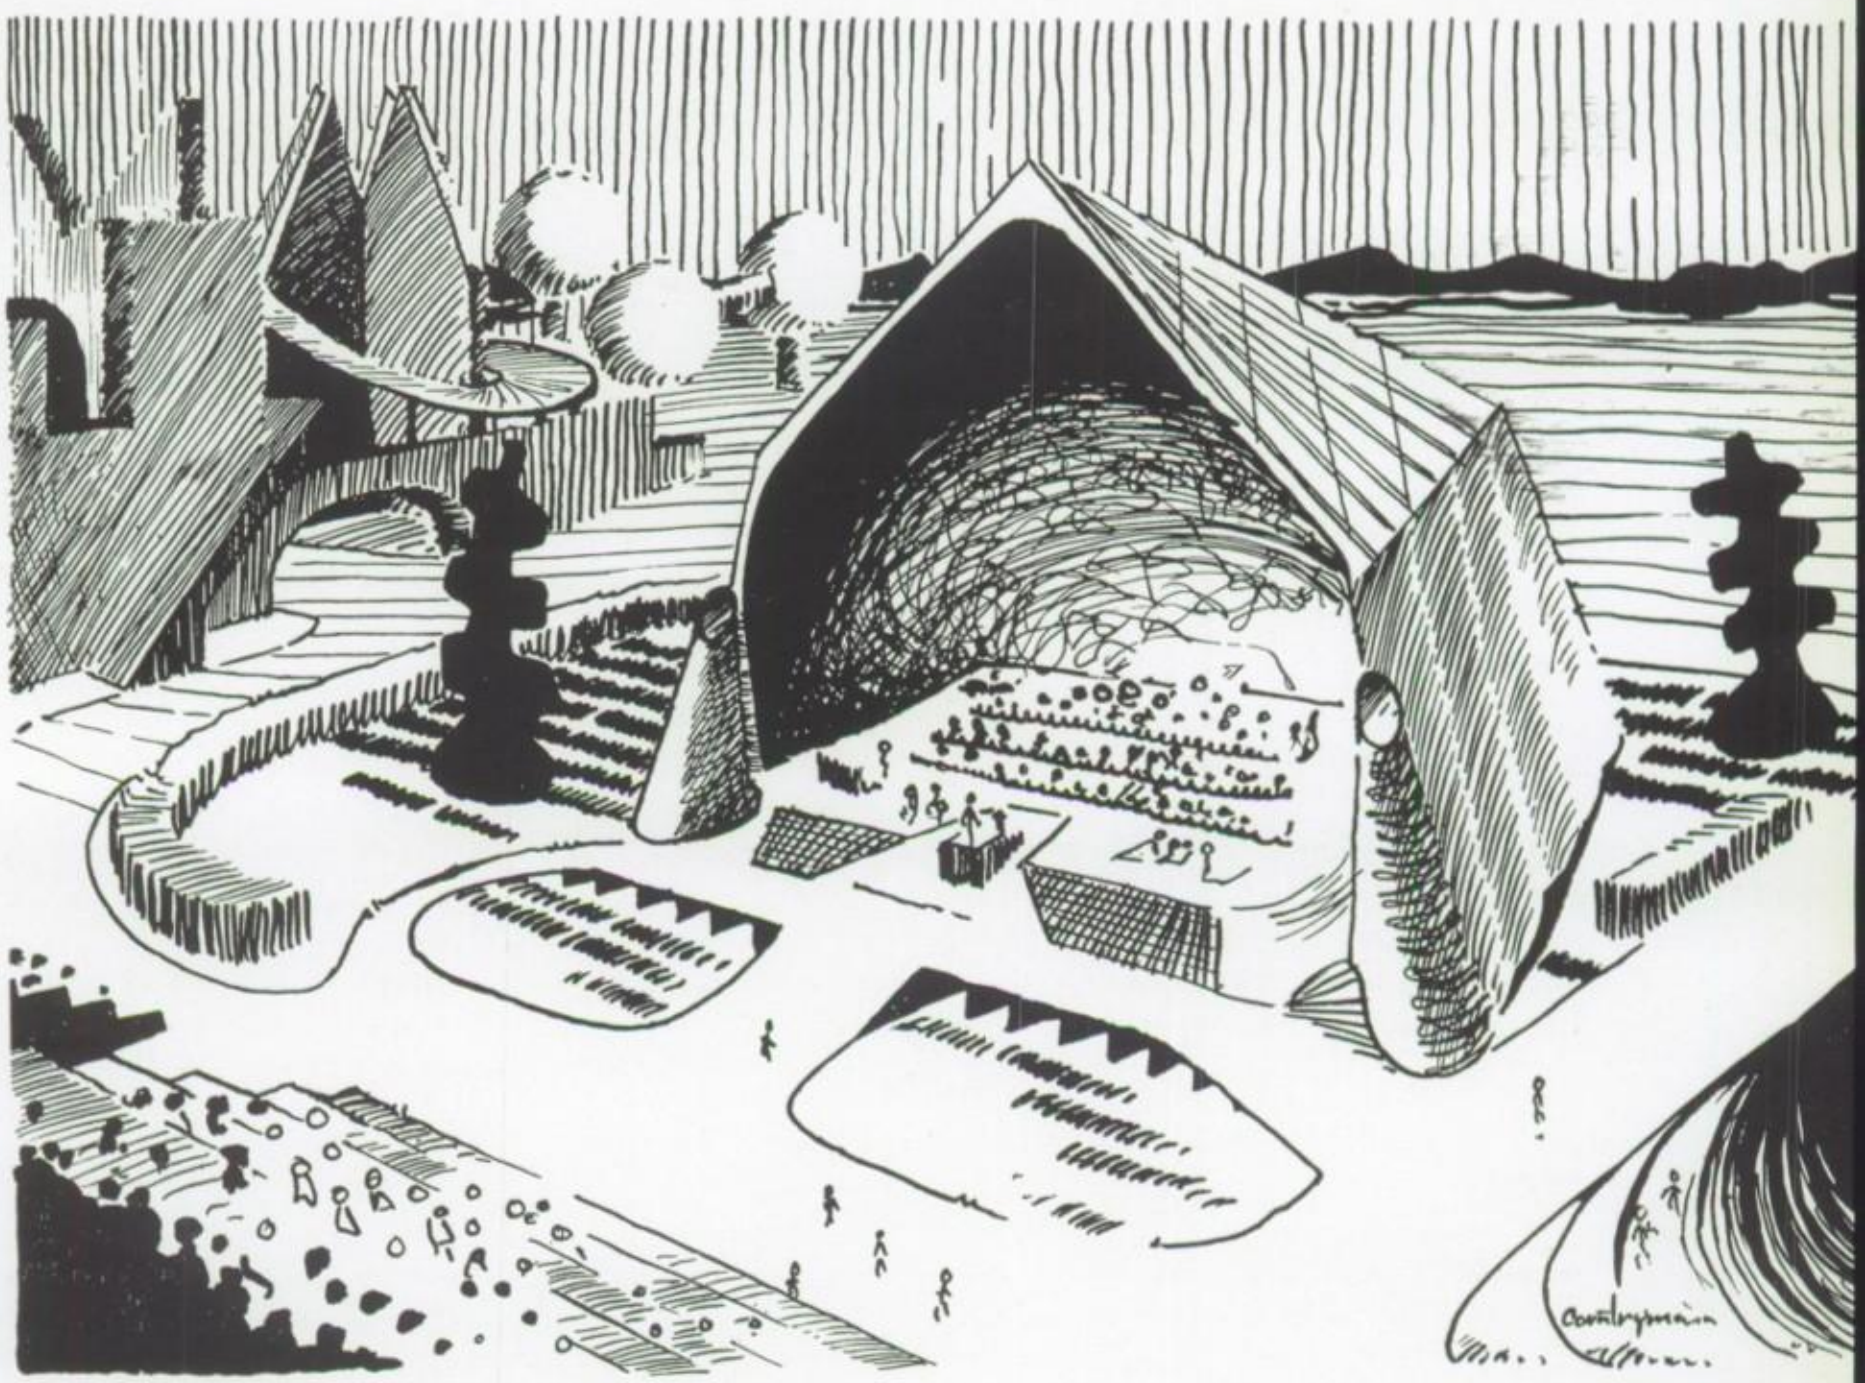
MUSIC



PROGRESS . . . Music has been in man's soul since the beginning of time. Rhythm is a basic pattern in all that we do — politics, religion, and communications. Music has been called an international language, and the common love for music will continue to bring men of differences together in peace. Our music department has shown great promise in its growing numbers and increasing quality. Next you will see the music department and its progress.

SWINGIN' MUSIC — Top Row: Susan Hays, Dave Cross, Melvin Hansen, Bob Knittel, Dale Brady, Dean Dolquist, Dwight Perkings. **Bottom Row:** Dianne Alexander, Roger Woods, Rick Kestter, Bill Knittel.

DANCE BAND

During activity period a small musical group met and practiced in the band room. This group, which was known as the dance band, was under the direction of Mr. Peterson, the high school band director.

During this past year the dance band played for various functions. Wherever they played, the members received a warm and courteous welcome because the people knew that this dance band would play its music in a superior style.

This year the dance band practiced diligently in order to prove that practice makes perfect.

CHANTRESSES

A new musical organization was formed this year by Mr. Souder, the choir director. His activity group, which was known as the Chantresses, met every activity period and practiced singing.

In this activity the students were given an opportunity to develop their voices. Since the Snohomish High choir was such a large organization, individual help frequently was not possible. Consequently, the students were able to improve their voices by singing in this smaller organization. Those who were members now realize the value of this activity because of their individual improvement.

BAND OFFICERS: Dave Cross, vice-president; Roger Woods, manager; Nancy Laz, secretary, Dan Higgins, president.

CHOIR

This year the choir represented the school many times and made favorable impressions. The choir's first appearance this year was at the Thanksgiving concert for the student body. The next performances were during the Christmas season.

The group made a caroling tour of the town as well as presenting its part in the annual Christmas concert and many other outside appearances. After the Christmas season, the choir began working on its contest numbers. This year our choir and school were hosts for the choral contests. This was an honor that we have not had for many years and it built up interest and enthusiasm for the coming Spring event. The last appearances of the choir year were Easter sunrise services, Baccalaureate, and graduation.

BAND

The S.H.S. Band, under the direction of Mr. Peterson, participated in many events this past year, among them were football shows, concerts, and parades.

The most outstanding of these events was the fall concert, entitled "An Enchanted Evening." The gym, which was the concert location, was decorated like a night club.

The band had four outstanding students this past year. Bob Knittel, Dean Dolquist, and Mel Hansen went to the all-state band at Wenatchee; and Dave Cross was a finalist in tryout for the Robin Hood Band.

As one of their summer events, the band hopes to attend the Lilac Festival in Spokane. This festival would be their first overnight trip for many years.

BUS DRIVERS, COOKS, AND JANITORS

People other than teachers and students are necessary in order to have a school which operates efficiently. Cooks, bus drivers, and various custodians help greatly in the running of a school.

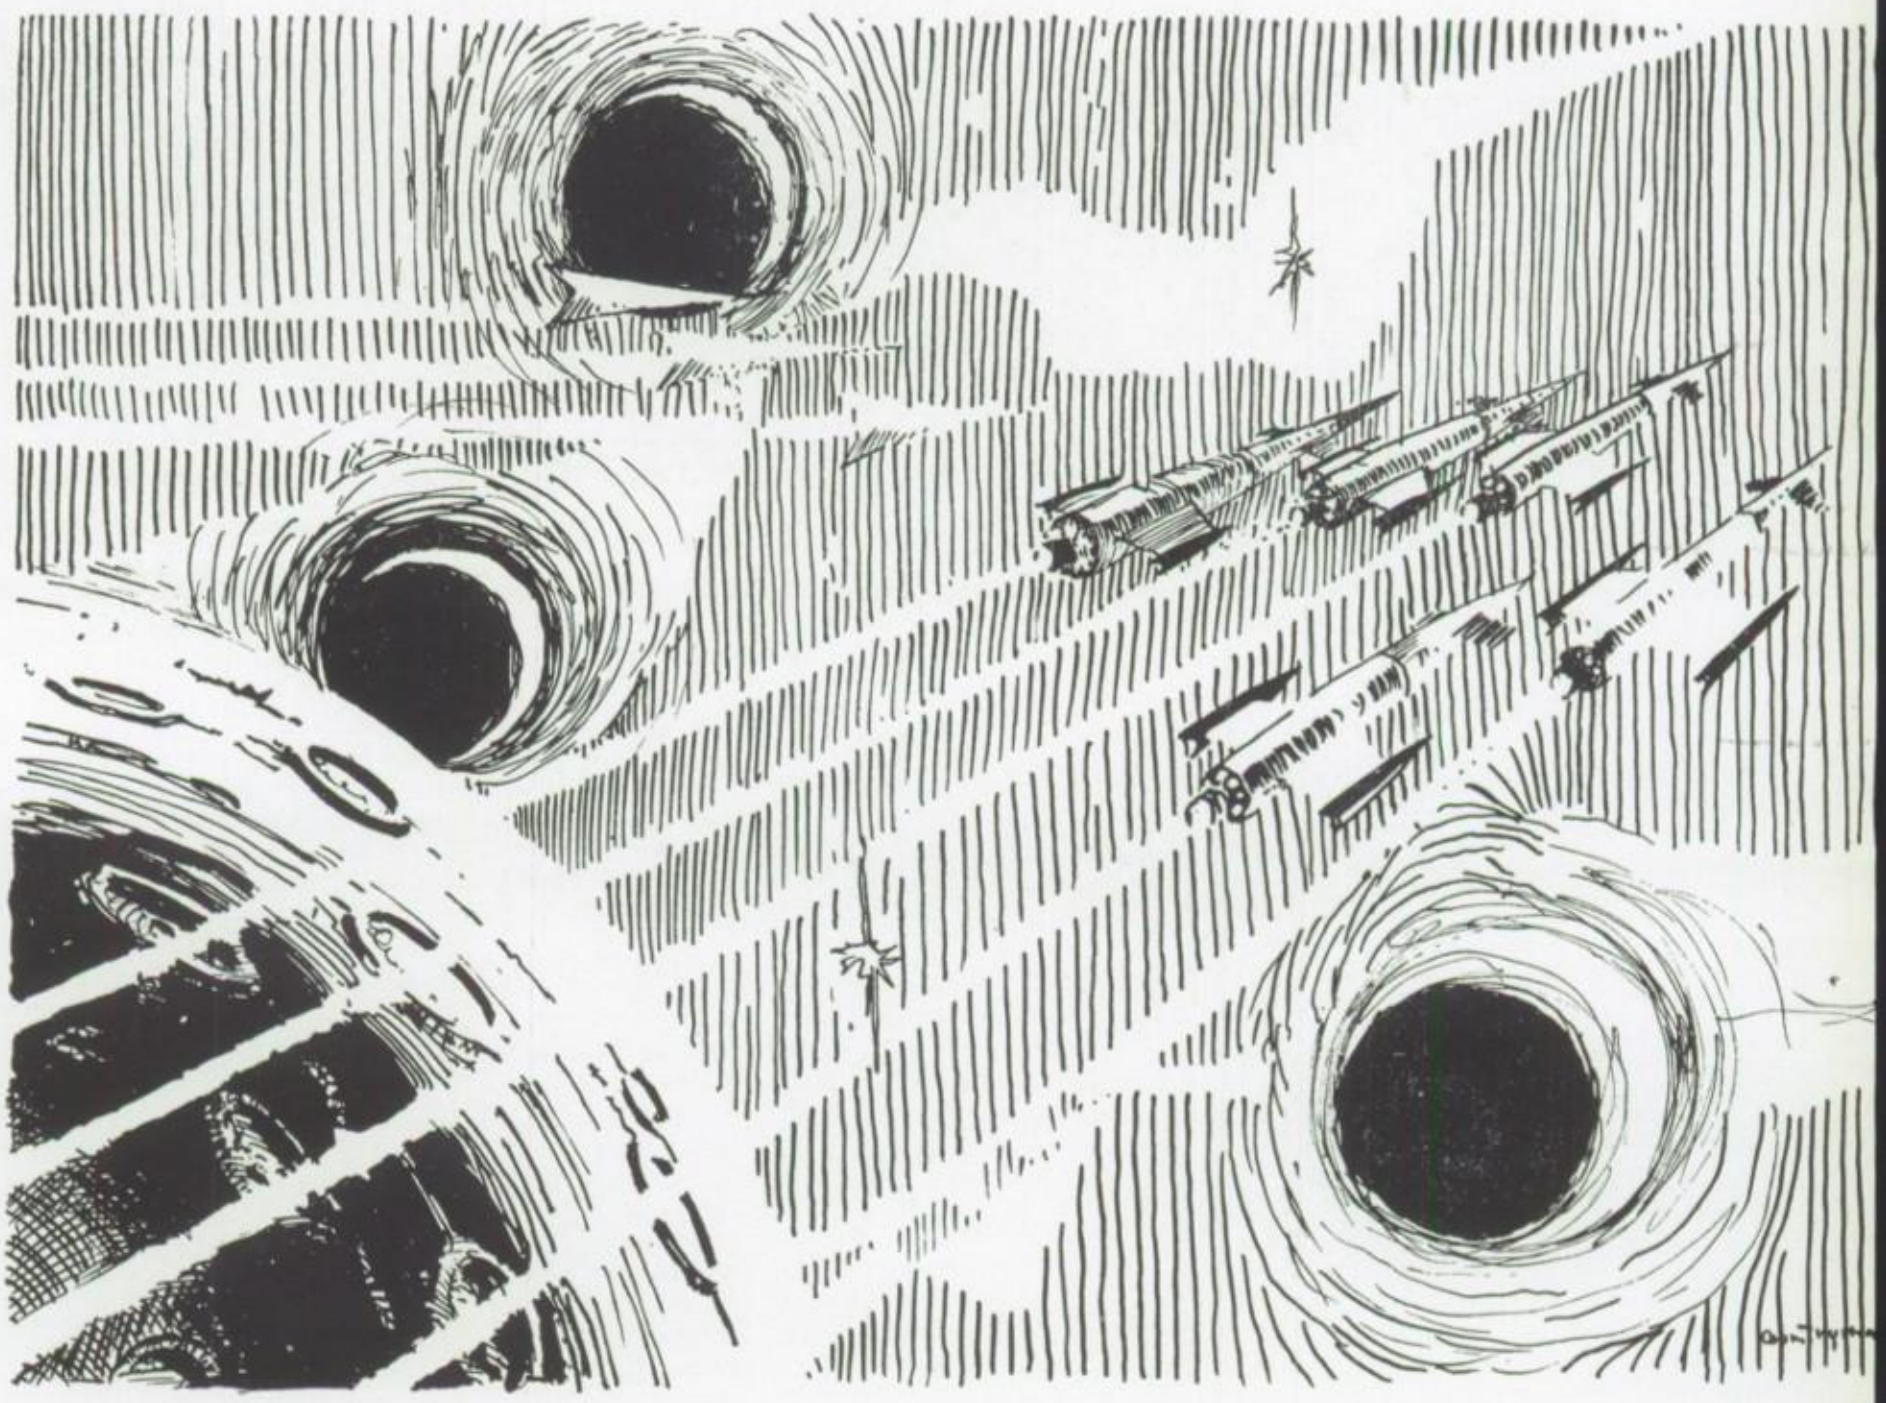
The job of the cooks was simplified when the kitchen was modernized. Their job was not only cooking lunches, but also preparing the Thanksgiving dinner served to a majority of the students. The cooks also prepared several banquets.

The bus drivers did more than just drive the school buses to and from school this year. They drove the buses which transported the rooters to and from sports events.

The first impression a visitor to a school receives is determined by whether or not the school and grounds are kept clean. Because of our hard working custodians during this past year, our school always made a good impression on all visitors.

The efficient and conscientious manner in which this group of people operated was greatly appreciated by the students of Snohomish High during the school year 1959-60.

SPORTS



PROGRESS . . . Someday we may have competition between jet planes as we have pictured above. Today we have Olympic games to promote good will among nations through friendly competition. Although S.H.S. will probably have few athletes who go to the Olympics, our own athletic competition has progressed a great deal and will continue to do so. Here we present to you the sports division of S.H.S.

FOOTBALL

Two things are as common as a falling leaf in the fall. One is crisp, clear nights and the other is a high school football game. Along with these two elements are two others which go together to make up an exciting night of football. They are the snappy high school band and the cheering crowds led by the pert song and yell leaders.

Snohomish High School was no exception to this fall tradition. The local eleven was led by Coach Ralph Gunderson who was ably assisted by Bill Heath. This year provided some close and exciting contests and some heart-breaking moments.

Starting with the Twin Cities encounter, Snohomish launched its football season. In this contest the Panthers had to wait until the second half to begin to roll. They then went on to squeeze out a 13-7 victory.

Next in line were the Vikings from Lake Stevens. This engagement gave Snohomish a chance to judge their ability in the rain. The judgment was favorable as they racked up a 26-6 victory.

The first snag in the Panther victory trail was an Edmonds' Tiger, all eleven of them. This was the first league encounter for the locals and provided a surprise for the Panther fans. Edmonds swept to a 35-14 victory.

Marysville's Tomahawks went down to defeat at the hands of the Panthers in a contest that was full of penalties. Snohomish proved

the better team by taking advantage of the Tommies mistakes and won, 24-7.

Next in line were the Arlington Eagles. The Panthers received their second serious setback with a 28-13 loss to Arlington.

Snohomish journeyed to Sedro-Woolley for their next contest. It was homecoming for the Cubs and they displayed their talents to the utmost and victimized the Panthers to the tune of a 19-7 victory.

The score of 19-7 was a nemesis to the Panthers in the following week as they dropped their homecoming contest to the visiting Anacortes Seahawks. A three "TD" second quarter for the Seahawks proved the undoing of the valiant Panthers.

Showing a flashy passing offense and a rugged ground game, the Mount Vernon Bulldogs gave the Panthers their worst beating of the season, 32-7. The locals had to wait until the fourth quarter to score and then they did it in three plays, the final one being a pass from quarterback Swede Johnson to end Dan Williams.

In their final contest of the year the Panthers ran into the always rugged Burlington Tigers. But the Panthers played an inspired ball game and finished the season with a bang, defeating the Tigers by one point, 21-20.

George Willis won the Inspirational, blocking and tackling awards. Dan Williams copped the captain's and Sports' Writers' trophies.

B SQUAD FOOTBALL

During the fall of the school year, the main sport concerned was football. Boys turned out in hopes of making the first eleven and starting in some of the league games. This was the supreme hope, but for most of the eligibles it was the "B" squad that became their place of learning. In the ranks of the "B" squadder was where each individual learned the skills and the techniques required for a hard forty-eight minutes of rugged man-to-man contest.

This year a new coach was initiated into the ranks of the local grid leaders. His name was Dave Rich and when he was not coaching, he was a P.E. instructor. The coach did an ample job and kept the spirit of determination alive in these boys until the final day of turnout.

"All work and no play, makes Jack a dull boy." That was how the old saying goes and it surely would apply to a group of boys who were just itching to get into combat with a foe. Well the Jay Vee's did not start with a resounding band as they fell before the Twin City "B" squadders in their initial encounter. Not being ones to quit, they ventured to smite the freshmen 26-0 in a sophomores only game. They then lost to Edmonds, 18-0; beat Marysville, 7-6; and tied Arlington, 14-14.

The "B" squad continued playing games and did well for themselves and showed wonderful potential for next year.

HOMECOMING

Five splendid days of 1959 Homecoming festivities were enjoyed by the S.H.S. students, faculty, and alumni. The royal week began October 26 and was officially over October 30.

The homecoming court was very attractive and representative of the student body. Queen Jo Anne Laz and her princesses, Bonni Hendrickson and Sharryn Walker reigned in regal fashion. Their respective escorts were Bud Rothgeb, Jack Wright, and Fritz Meeske.

The royal court was officially recognized at the coronation ceremony held in the big gymnasium, Wednesday, October 28. Bethia Wanser planned the assembly and her brother Donald and her sister Margaret served as crown bearer and flower girl, respectively. Last year's homecoming queen, Glenna Johnson, presented Queen Jo Anne with red roses and the president of the class of '59, Leo Merculief, crowned her Queen of the 1959 Homecoming.

On Thursday evening a very successful pep rally was held. After the annual pep march downtown, the students returned for the rally, which was staged on the football field. The Senior class was awarded first place in the pep sign contest.

Friday evening saw the Panthers lose a 19-7 decision to the Anacortes Seahawks in the grid portion of the homecoming event.

After the game the homecoming dance was held in the small gym. A fall scene provided the setting and Clayton Knittel's dance band played the royal music.

BASKETBALL

Directly following the football season, basketball got underway. The first few weeks were concerned with general turnouts and cuts. After the final cut was over, the real turnouts got underway. After rigid practice sessions the squad then began a long season in the hope of a successful year.

At the beginning of the year the Panthers were expecting to have some new glass backboards installed. They were donated to the high school by an anonymous group of fans who were very pleased with their sixth place victory in the state "AA" basketball tourney. As the season started they were not installed because of the steel shortage, but as soon as the steel strike was over, they were promptly installed.

The first three contests did not present much of a challenge to the Panthers as they rolled by a hapless Lake Stevens five 50-26 and 56-25. The third game was a little closer, but the Panthers trampled on the Golden Eagles of Arlington, 53-39.

In their first close contest of the season, the Panthers met the Everett Seagulls in a renewal of their annual clashes and handed Everett a defeat by four points, 52-48. The Panthers jumped to a 20-9 first quarter lead. The Seagulls then began to chop away at the margin and in the fourth quarter finally caught up at 41-41. The Panthers then played hard and came out on the long end of the count.

FAITHFUL HELPERS: Neil Wheeler, Gary Rhoden.

Following that contest, the Panthers went up against the Anacortes Seahawks in their league opener. Anacortes seemingly did not care that they were playing away from home and handed the locals their first defeat, 63-53.

However, this set back did not derail the local five for long because they bounced back to regain their balance and to triumph over the Edmonds Tigers, 46-42. This game went down to the wire until two free throws by a Snohomish player won the contest.

In another encounter that was not decided until the final few minutes of play, the red and white could not quite catch the Sedro Woolley Cubs and were defeated 70-62. A cold first quarter forecast the impending disaster of the Panthers. In the first eight minutes of play the Cubs jumped to a 20 point lead, 25-5. This was just too much for the Panthers as they could not catch fire until the fourth quarter. In that fourth quarter they played like the winning team as they pulled within six points and then fell short of their goal.

It seemed as though the Panthers were going to hand the Mount Vernon Bulldogs a crushing blow. The Panthers ran to an early lead and at half time were leading by ten points. But the Bulldogs were not going to fall over and play dead. They began methodically to hack away at the lead, but did not see any real results until the fourth quarter when they finally caught up at 60-60. In the overtime period the Bulldogs outshot the Panthers and won 66-62.

LADY LUCK HELPS IN MARYSVILLE GAME: Dave Snow, Bill Johnson, Steve Kager.

The next two contests also saw the Panthers go down to defeat. In the Burlington game the Tigers topped the Panthers 79-53, and then in the following week the Arlington Eagles avenged their early season loss, 58-51.

In the following week the Panthers found the victory spark and scalped the Marysville Tomahawks 65-39.

The Everett Seagulls were next in line for the Panthers. Everett surprised the locals by jumping to a quick advantage which they never relinquished and the Panthers went down to the Seagulls.

Travelling to Anacortes in hopes of regaining their composure and avenging an early season loss, the Panthers could not get a good drive underway and fell to a strong bunch of Seahawks, 61-39.

The Panthers then went on to meet Edmonds, Sedro-Woolley, Mount Vernon, Burlington-Edison, and Marysville. The locals racked up victories and defeats to finish out a season not quite as successful as last year's but indicating some great potential and some exciting contests to offer for next year's casaba fans.

BASKETBALL "B"

Probably one of the scrappiest group of boys ever to participate in the game of basketball at Snohomish High or anywhere else in the group known as "B" squad. Before every game the "B" squad were found out on the court competing against another team. As the result of such competition the boys acquired the experience and the feeling of playing before large crowds of people in preparation for the day they will be on the "A" squad.

Coach Ralph Gunderson described them as "The best defensive team I have ever coached, good hustlers, but poor shots." This last factor has cost them some close ball games, but the other two have also won them some and kept them in contention for others.

They won their first two contests, both over Lake Stevens, 40-21 and 24-22. Then in a real thriller, Arlington squeaked by for a one point victory, 36-35. The low score was partly due to their defensive ability and their own low total because of their poor shooting ability.

They then beat Everett, 43-30, and following that were defeated by Anacortes, 47-33. Edmonds fell to them by three points, 44-41, and then Sedro-Woolley squeezed past the Panther kittens, 31-29.

The end of the season brought both wins and defeats, but the Panther kittens had gained valuable experience for future play.

TENNIS

In the middle of March the tennis courts of Snohomish High School start getting their first heavy workout of the year. A group of boys started turning out for S.H.S. tennis team coached by Joe Clayton.

The tennis aspirants who made the team found themselves engaged in Northwest League competition besides matches with schools outside the league. The Northwest League was one of the most competitive in the state and the boys finished the season as very experienced high school tennis players.

This year the tennis team was based around a nucleus of nine veteran players of singles and doubles players. These players were Butch Uran, Maury Hedlund, Ron Rabenstein, Swede Johnson, Larry Collins, Ron Stuart, Ken Knappe, Fritz Meeske, and Jack Wheeler. These boys had all had a year of play and showed some exciting matches on the courts.

This was the third year of play in the Northwest League for the panthers. In the past they have won one first place position and one second place in the league. They have almost always done well in post-league play. They are involved in a county tournament and a district tournament, placing third in the district last year.

One of the coveted awards in the S.H.S. tennis season is the inspiration trophy won by Gary Kager last year.

BASEBALL

"Once around the horn!" "Squeeze play!" "Take two!" These are some of the expressions that can be heard echoing from the baseball diamond at Snohomish High School during spring practice and league play. The Snohomish Panthers, coached by John Miles, were just one of seven high schcol teams that participated in the Northwest "AA" League.

This year the local nine played the Everett Seagulls in a revival of an old tradition. Games between Everett and Snohomish have always been marked by their keen spirit and pitched battles on the playing field. Such rivalry has come about because of the great competitive spirit between the two clubs. Again this year this rivalry was shown.

This year's team was based around eight returning lettermen and some promising prospects. The eight veterans of league play were Dick Clemans, Dan Williams, Bill Johnson, John Lorentzen, Earl Torgeson, Bill Bates, Jerry Salvadalena, and Punk Prentice. The prospects were: Swede Johnson, Dennis Averill, Kirby Naff, Kelly McKennon, Willis Webb, and Phil Sweezey.

Each day after school the ball players switched from students to pitchers, infielders, outfielders, catchers, and batters. Double plays, bunts, base stealing, squeeze plays, and intersquad games were held in preparation for league play.

CROSS-COUNTRY

Hailed as the strongest cross-country team in Snohomish High history, the local thinclads went on to prove just that. Coached by track coach Keith Gilbertson, the hard working runners swept 12 out of 13 of their meets. Chalked up on their victory list were such impressive wins as the Northwest League championship, the Inland Empire A.A.U. meet, and the state A.A.U. championship. In the latter race, the team won the Einar Larson Challenge Trophy.

The thinclads did not win these races by just hoping for victory. They were earned through hard running during practice sessions, will power, desire, both as individuals, and as a team, and by the very fine coaching by Mr. Gilbertson. These four factors when combined produced this year's very successful squad.

TRACK

All sports require that the participant practice. There is not a sport where you can get away from practice, but there are some sports which require the utmost from the individual. One of these is track, and at Snohomish a very intensive track program was carried on. Coached by Keith Gilbertson, the runners and weight men were taught to work to the extreme of their ability. They were taught to set their goals high, to be leaders, to strive for perfection, that success is costly, concentrate, be determined, and to be in top physical condition.

But all this work would be of no use if there were no incentive. A reward was important and the S.H.S. thinclads' rewards were victories in their events through intensive training.

GYMNASTICS

Gymnastics is just one of many activities offered by the high school during activity period. It was advised by Dave Rich and provided physical exercise for many high school boys.

Each afternoon the boys were found doing a variety of activities. One of these was tumbling. Headstands and handstands were executed, horizonal levers and tripods were also practiced. On the trampoline boys were found doing front drops, back drops, flips, twists, and then a combination of these. Work on the parallel bars consisted of shoulder stands, still dips, and swinging dips among other things. The boys who were members of this activity enjoyed it not only because it was healthy, but because it was fun.

LETTERMEN'S CLUB

During the past year many S.H.S. boys were seen wearing the traditional red and white school sweater. Each boy who was entitled to wear one of these sweaters was a member of Lettermen's Club. Mr. Heath, the basketball coach, served as adviser for this club.

In the fall, Lettermen's Club held an informal initiation. During the course of the evening the new members participated in many stunts, after which they became official members of the S.H.S. Lettermen's Club.

Although the boys participated in different sports, they were united as one group in Lettermen's Club. Here they showed that success can be accomplished by a large group and sponsored an after-game dance which was a definite credit to Lettermen's Club.

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association had an active year of turnout activities, including speedball, volleyball, basketball, bowling, badminton, softball, tennis, archery, and track. The Snohomish girls hosted a very successful volleyball playday, "Spike and Tyke Daze," for girls from nine of the high schools in the county. Many Snohomish girls also attended playdays at other schools.

These turnout girls earn points toward letters and awards by attending turnout; by winning games; acting as officials, team captains, and managers; by being selected as an "A" or "B" team member or class team member; and by attending playdays. An activity list including such things as hiking, boating, and other out of doors activities affords an opportunity for the girls to earn extra points.

When a girl has earned 1,000 points, she becomes a member of "S" Club. The "S" Club girls, besides being active at turnout and all of its phases, this year attended a volleyball and basketball sportsday at Everett High School, and a sportsday at the University of Washington. In line of service, the "S" Club girls punched tickets at the home basketball games.

Several girls were initiated into the Snohomish County Girls' Athletic Association at the County initiation at Marysville High School. Five turnout girls attended a basketball clinic at Skagit Valley Junior College which was put on by the Northwest Board of women officials.

TUMBLING

Girls who were interested in keeping in condition were able to join the tumbling activity. Here the girls were allowed to practice on the tumbling mats and the trampoline.

Keeping in good physical condition was important to the older girls because they did not attend P.E. classes. These girls were given the opportunity to practice skills they had previously learned.

GOLF

One ot the outdoor sports offered at S.H.S. last year was golf. During the fall until the end of football season, the students learned the basic rule of putting and stances for stroking.

MEN OF THE GREEN — Top Row: Steve Kager, Dennis Nelson, Alastair Jeschke, Mickey Bauer, Mr. Lamkin. **Bottom Row:** Tim Larson, Roger Woods, Allen Zalewski, Dennis Vest.

The golf season began in the middle ot March and lasted until the end of May. During this time the group practiced at the Monroe Golf Course when not playing in tournaments. Some of the matches included the district tournament and the State Invitational Meet.

BOYS' CLUB BASKETBALL

Although S.H.S. did not have an organized boys' club, the boys cooperated closely in intramural sports. Under the capable leadership of Mr. Miles the boys had Boys' Club basketball teams. Ten boys were chosen as the captains of the teams. Although those games were played in the evening, response on the part of the boys was exceptional.

After completing a successful basketball season, the team members realized that they had accomplished one of many objectives. They had learned cooperation through participation.

TEAM LEADERS — Top Row: Dick Webster, Maury Hedlund, Milton Neisinger, Ron Stuart. **Second Row:** Denis Yocum, Mike Pendergrass, Mr. Miles. **Bottom Row:** George Willis, Jack Wright, Howard Babcock.

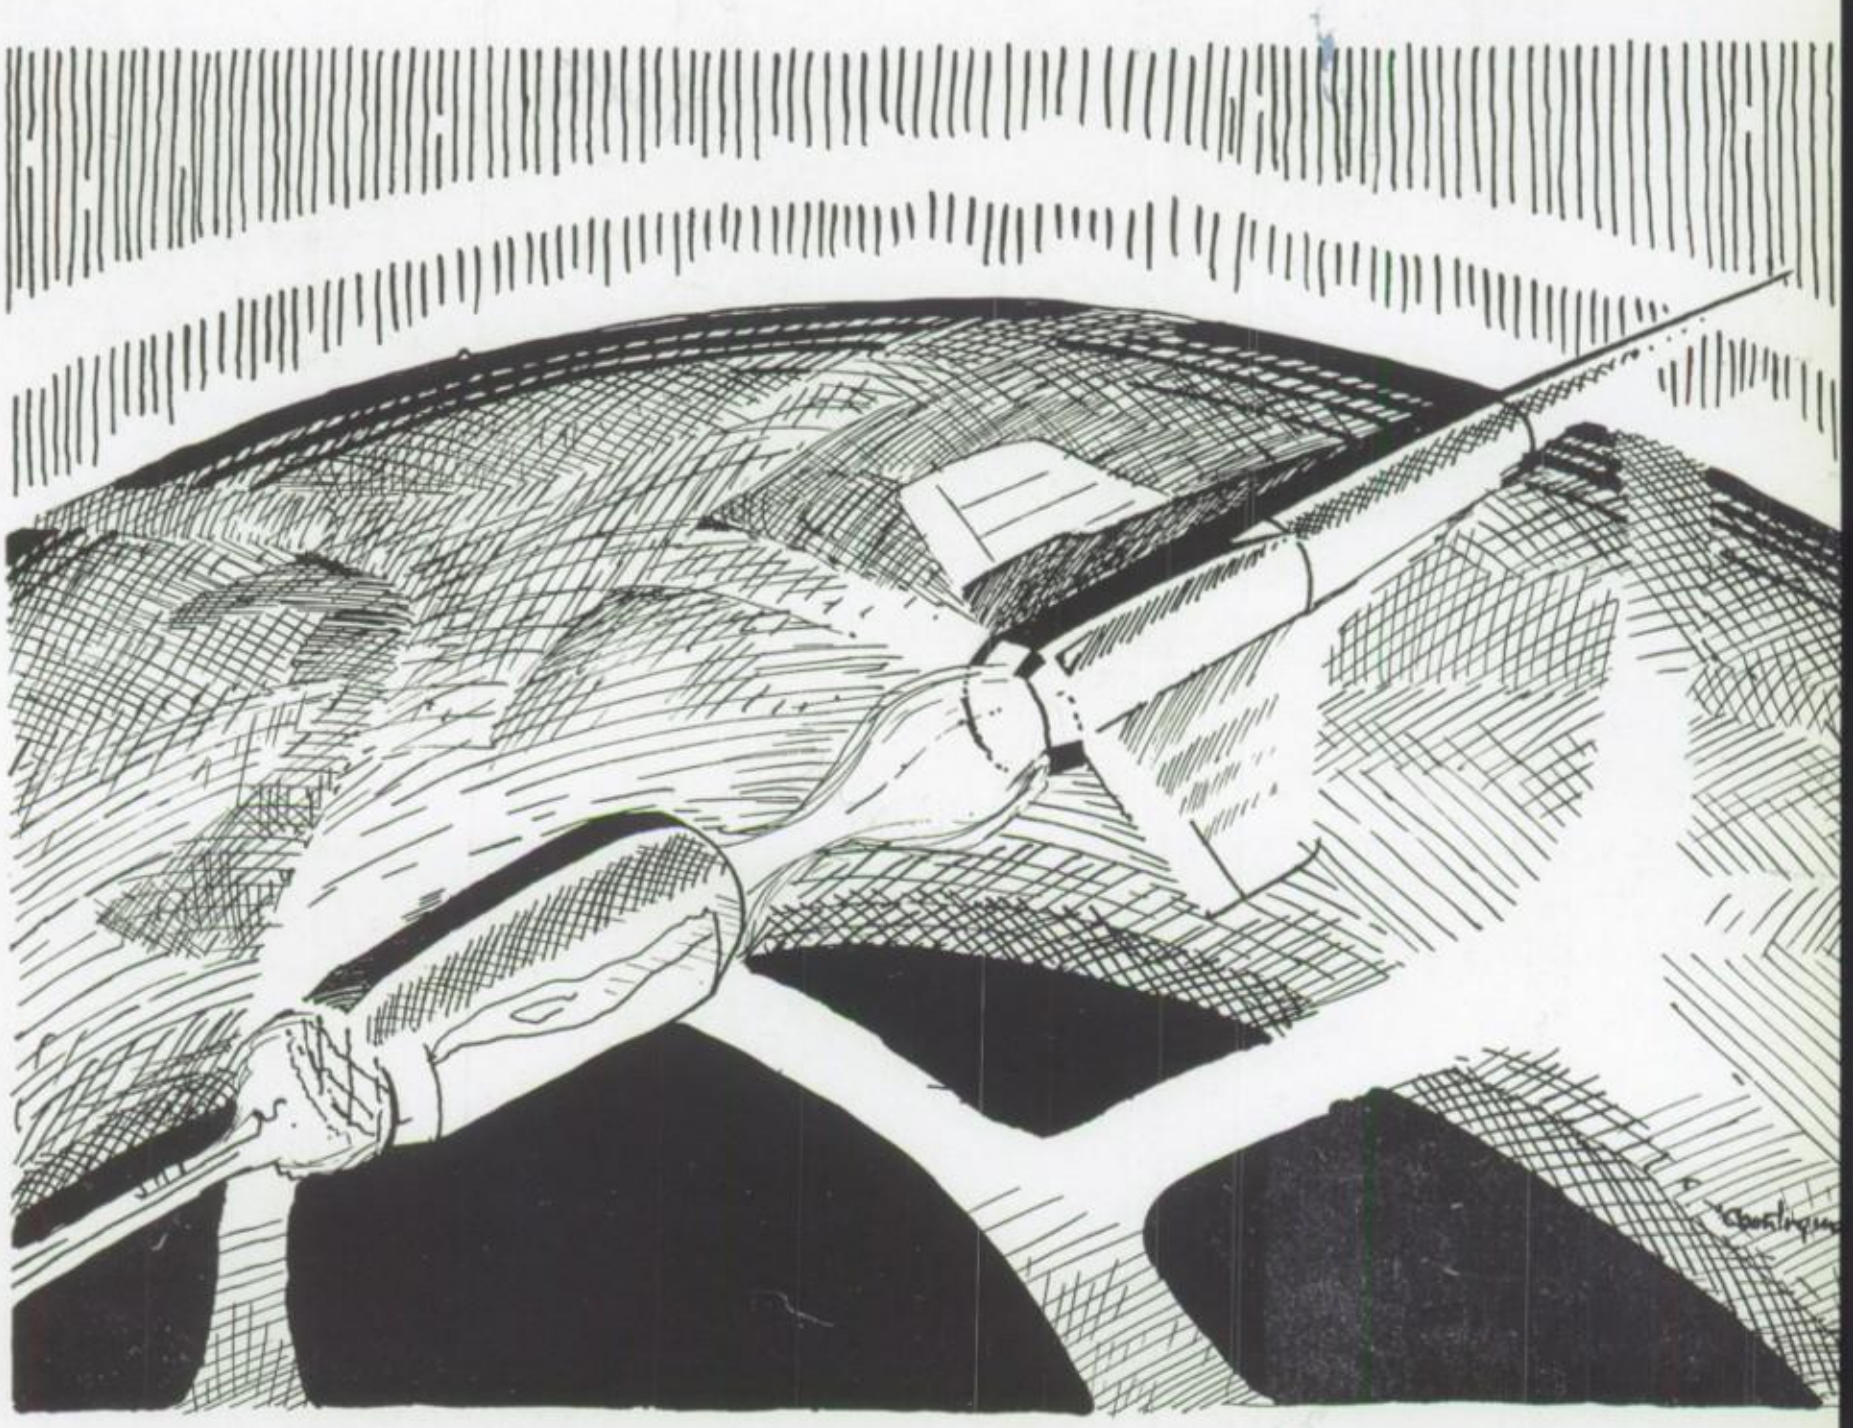
ACTIVITIES



PROGRESS . . . Clubs and organizations have a large part in making progress toward world peace because they encourage tolerance and understanding. However, on a much smaller scale the various organizations of S.H.S. help to make our school a better one. The increase in the number of clubs in recent years gives more opportunity to belong, to be active, and to practice cooperation and leadership. Here are the clubs and organizations that make S.H.S. strong.

REPRESENTING EVERY GIRL — Top Row: Sharon Olofson, Sally Bowen, Wendy Lamson, JoAnne Laz, Janice Berg, Madeline Brandsma, Sharon Telgenhoff, Charlene Lorenz, Nancy Patterson, Betty Williams, Judy Reiner, Chula Riley, Becky Bueler, Mrs. Purdy. **Third Row:** Irene Brickman, Joan Bradt, Jan Gobiet, Ellen Ward, Jean Lokken, Mari Lana Lervick, Karen Fredricks, Marilyn Baker, Mary Ann St. Clair, Pam Imus, Sharon Melnyk. **Second Row:** Joan Cress, Sandy Hartman, Chris Minshull, Laurie Vanderhyde, Nora Kincaid, Rita Bricker, Cheryl Colwell, Gail Hess. **Bottom Row:** Judy Yoder, Nancy Laz, Judy Ashcraft, Mary Minshull.

GUIDING GIRLS' CLUB: Mrs. Purdy; Judy Ashcraft, secretary; Judy Yoder, president; Nancy Laz, vice president; Mary Minshull, treasurer.

GIRLS' CLUB

Progress through cooperation and participation is what the members of Girls' Club learned this past year. In order to have a club function properly, the members must want to work in behalf of the club; and they must have the desire to cooperate in a helpful way. During this past year the president and cabinet members stressed participation to such a high degree that all girls who were willing to cooperate fully were given an opportunity to do so.

Fall brought the organization of the Girls' Club Cabinet, which was formed of all the standing committee chairmen. The officers of Girls' Club also attended the cabinet meetings. The purpose of the cabinet was to have a group of girls who would help the president in all respects. Although the cabinet played an important role in the events sponsored by this club, the final decisions were found in the council.

All girls were eligible to be members of the council if they had the following qualifications:

1. a desire to work in behalf of the entire club
2. a C average in all classes

The council, which was elected twice a year by all the girls, was the only group that had the power to decide what activities the club would participate in. Therefore, it was the duty of this body to promote interest in all activities.

Only one year ago a new program was started by Girls' Club. This was the electing of a "Girl of the Month." During this past year this program was again sponsored. The purpose of this program was to give recognition to girls for their outstanding conrtibutions to Snohomish High and the Girls' Club. The girls were chosen for their personalities, poise, grades, and their contributions to extra-curricular activities.

This year, rather than have a party which would honor just new girls, a party was held which honored all girls. Boh Night was held

shortly after school had begun. Each girl was asked to dress in a Bohemian fashion, and prizes were given to the most fashionable Belles of the Bohs.

During the Christmas season Girls' Club sponsored two teas. One tea honored all of the teachers and their husbands or wives. The other tea was in honor of college-bound senior girls and freshmen girls in college who were home for Christmas.

Girls at Snohomish High have always been interested in cheering their favorite athletes to victories. This year Snohomish High witnessed the formation of a pep squad, which was frequently seen at the games cheering for the Panthers.

Dad's Night, which was held early in March, honored the fathers of the girls. As usual, many father-daughter teams attended. After an enjoyable evening of fun and entertainment, the girls served light refreshments to their fathers.

As spring arrived, so did two of the more popular events — the Girls' Club tolo and the Mother-Daughter Tea. These events are presented annually by the Girls' Club.

The tolo proved that participation through cooperation is essential in order to have a successful dance. After many days and hours of hard work and thought, the final moment arrived and gave absolute proof that the 1960 tolo was a great success.

The final event of the year for the Girls' Club was the Mother-Daughter Tea. At this time the girls were given the opportunity to honor their mothers and show how grateful they were for all of the help that they have given them during the past year. The younger members especially looked forward to this tea because the final announcement of the officers for the coming year was made at the close of the tea.

F.H.A.

The members of Future Homemakers of America, with their adviser Mrs. Condell, had a very successful year. They received the Honor Chapter Banner for 1959-60. Norma Sikel was the president of the Snohomish County F.H.A. Council.

During the year the chapter members attended a regional meeting, a leadership meeting, and a demonstration day.

A Christmas party was held for their younger brothers and sisters. F.H.A. week was observed by doing a different project each day. Among their other activities, were the sale of book covers, concessions at a basketball game, and decorating for the F.F.A. Banquet.

FUTURE HOMEMAKERS OF AMERICA — Top Row: Sally Smith, Mary Ann St. Clair, Sharon Olofson, Patsy Esser. **Second Row:** Norma Sikel, Jean Stegner, Linda Scheuffele, Pat Mayhew. **Bottom Row:** Mrs. Condell, Irene Brickman.

HOME CRAFTS

Under the guidance of Mrs. Purdy, home crafts meant learning by going with the future in view. This is one time when questions and problems are worked out by girls interested in everything to do with the home and their jobs of tomorrow.

Many interesting hours were spent in baking for the teachers' coffee hour and for the various teas. The girls also enjoyed making items which would be of use to them in future years.

The techniques developed in home crafts are ones of common interest and automatically teach self-reliance as well as cooking and sewing.

DEVELOPING HOMEMAKING METHODS FOR LATER LIFE: Lorena Murphy, Sharon Hicks, Barbara Smith, Betty Maier, JoAnn Stroh.

CHIC CHAT

Publicity plays an important role in all organizations. The Girls' Club newspaper, Chic Chat, is primarily responsible for publicizing the Girls' Club events. The paper also familiarizes the girls with all the business carried on during council and cabinet meetings.

Chic Chat was organized only one year ago, making it the newest of publications published by the students.

Eligibility for the Chic Chat staff consisted of the following: a flair for writing short newspaper articles and plenty of time and energy. Even though this paper was sponsored by the Girls' Club, all students were invited to contribute.

GIRLS' CLUB NEWSPAPER STAFF: Gail Hess, Sandy Hartman, Joan Bradt, Sharon Olofson, Karen Poier, Larry Countryman, Claire Brady.

QUILL AND SCROLL

In future years there will be a very important place for people who are in the literary fields. The Thomas F. Barnhart Chapter of Quill and Scroll offers these people a beginning while they are still in high school. Students who are eligible for Quill and Scroll are those who have a B average and who work on one or more of the school's publications.

For the initiation held early in February the new members attended a pot-luck dinner followed by a tour of the Everett Daily Herald.

The Thomas F. Barnhart award was presented in the spring to an outstanding student.

LITERARY SCHOLARS — Top Row: Howard Babcock, Karen Poier, Alan McElhaney, Dick Clemans. **Second Row:** Dick Dubuque, Joan Bradt, Joan Stocker, Judy Yoder. **Bottom Row:** Sandy Hartman, Anne Waltz, Barbara Dubuque.

LIBRARY

Years from now records of past events, both fiction and non-fiction, will be of great importance. They will be the history of this period of time.

Every student at Snohomish High has come in contact with the school library at some time. This visit may have been just for pleasure or it may have been in the form of research work for some class. Whatever it was, the students were able to accomplish their aims in the school library.

Under the watchful guidance of Miss Cowden and the student librarians, the library operated in a smooth and efficient manner.

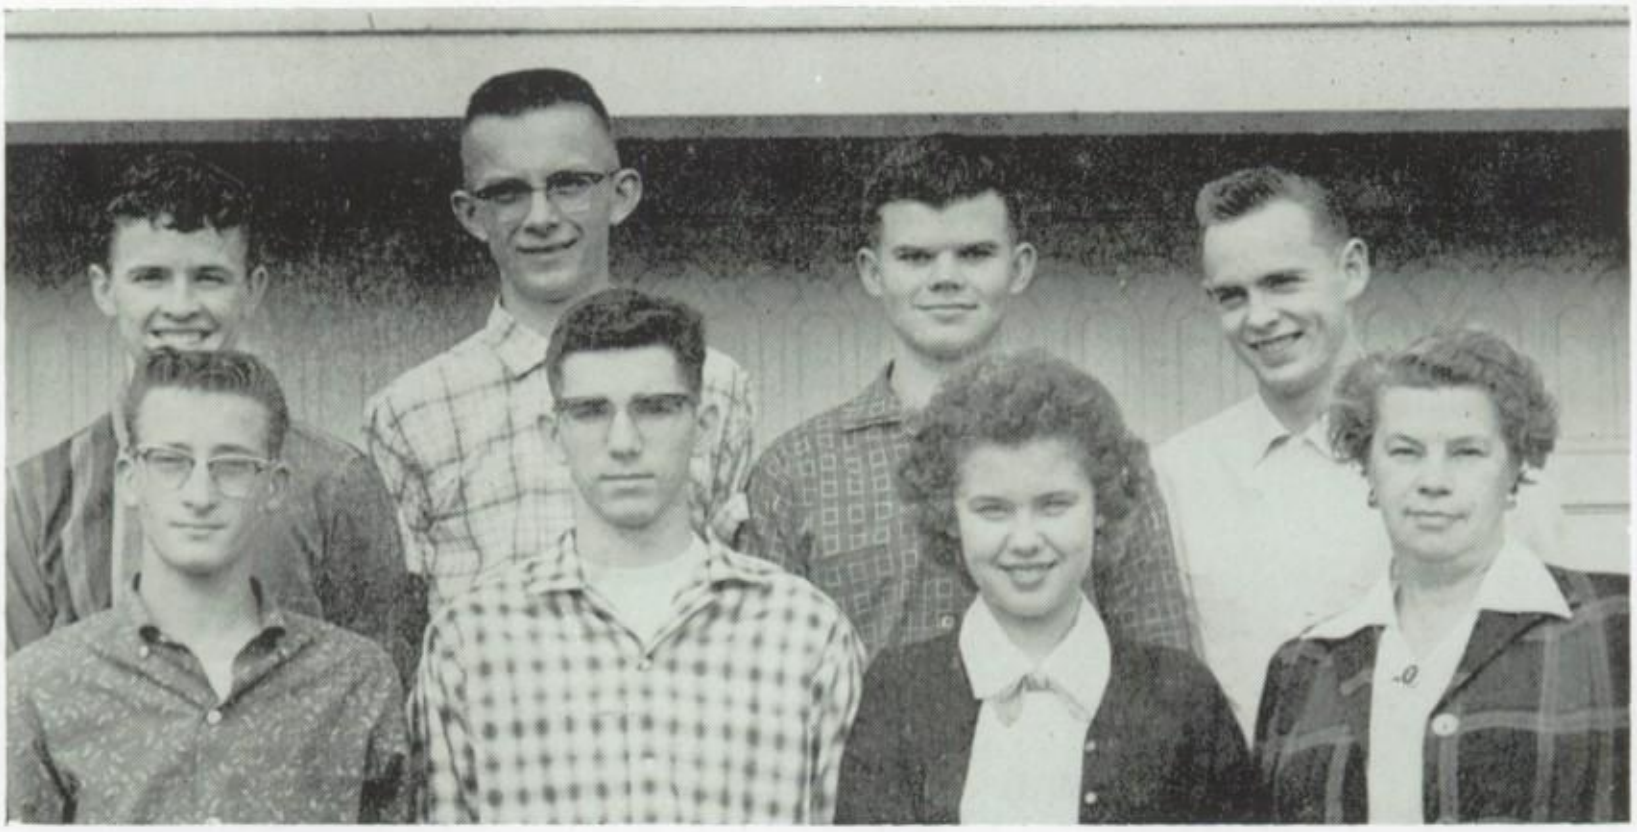
BOOKWORMS — Top Row: Sandy Farabee, Norma Walker, Jo Ann Brickman, Karen Haverfield, Charlene Bruce. **Second Row:** Carol Hoerr, Mary Kinkead, Lois Tucker, Joan Stocker, Karen Ren. **Bottom Row:** Pat Davis, Norma Sikel, Connie Roth, Rita Brown.

SOUND CREW

Sound communications will be a very important asset to the first space crew which will soon be venturing into the dark unknown. Sound carried by radio waves will be the only connection the space crew will have with the earth.

In our high school, sound also played an important role, especially in special assemblies. Sound made it possible for everyone to enjoy and understand what was being presented regardless of how large the group. The good sound we heard during assemblies at Snohomish High School can be accredited to a small but important group, the sound crew.

TECHNICAL MEN: Loren Troupe, Jim Miller, Ron Stuart.



SECOND SEMESTER ARROWHEAD STAFF — Top Row: Howard Babcock, Perry Hedahl, Glenn Warner, Larry Countryman. **Bottom Row:** Ray Scheuffele, Dick Clemans, Olivia Newell, Miss Egner.

ARROWHEAD

From the first journalistic efforts of the Enterprise to today's Arrowhead is a span of over a half of a century.

During this time the newspaper staff has continually concerned itself with improving the quality of this school publication. Besides their regular journalism class, they also exchange papers with other schools and every year send representatives to the Pacific Slope Press Clinic at the University of Washington.

At times the publishing of this newspaper has proved difficult, such as during World War II when the paper was discontinued because of lack of newsprint. However, in 1946 the Arrowhead in its present form once again began publication. From thence on it has appeared regularly.

Journalism students who served on the Arrowhead staff the first semester were: Barbara Dubuque, editor; Anne Waltz, assistant editor; Howard Babcock, sports editor; page editors, Dick Clemans, Alan McElhaney, Perry Hedahl; official typist, Charyl Dawson; business manager, Larry Countryman; and assistant business manager and photographer, Glenn Warner.

This year the Arrowhead begins its thirty-fifth year of publication. Miss Ruby Egner, who succeeded Miss Mildred Blossey, served her first year as staff adviser for the publication.

FIRST SEMESTER ARROWHEAD STAFF — Top Row: Larry Countryman, Glenn Warner, Rick Kester, Alan McElhaney, Jim Alexander. **Bottom Row:** Juanita DeGroot, Barbara Dubuque, Anne Waltz, Sharon Ferguson, Pat Doll.

SPECIALIZED TECHNICIANS: Miss Fowler, Sandy Hartman, Joan Bradt, Dick Dubuque.

ANNUAL

The progress of a school is shown in the schcol's yearbook. This was the goal the 1960 Kla-Ta-Wa staff had in view during the past year.

In publishing a yearbcok certain steps are followed. A dummy containing the places all pictures and articles were to appear, was prepared. While the finance manager was busy earning money for the staff to operate, the pictures were taken and the manuscripts were written and typed. After careful preparation of the theme, the books were printed, bound, and returned to S.H.S. as the finished Kla-Ta-Wa.

CHESSMEN — Top Row: Dave Shinner, Rodney Prentice, Dennis Nelson, Jerry Fuller, Gay Langford. **Second Row:** Leonard Christianson, Kelly McKennon, Mike Smith, Harold Sunt. **Bottom Row:** Loren Eckberg, Tom Luxmore, Lowell Brandt, Gary Snyder.

CHESS

Last year a chess class was sponsored by Mr. Field. This year was the second year chess was offered as an activity at S.H.S.

In this activity the individual student was given a chance to improve his skills in checkers as well as chess. This improvement was accomplished through inter-class tournaments and those with other schools.

SCIENCE CLUB

Mr. Smith introduced a new activity into our high school curriculum this year. This was the Science Club, an associate of American Science Clubs all over the United States.

The purpose of this club was to promote interests in science, especially in science projects. Some of the projects undertaken were micro-biology, astronomy, and comparative anatomy.

AUTO MECHANICS

Twenty high school boys became "grease monkeys" at Snohomish High this school year. These boys were students of Mr. Jack Clark, who taught auto mechanics during all of the afternoon periods.

This course is basically the study of the theory of automotive principles. The high school mechanics learn everything from tuning engines to replacing rings.

WORKING WITH SCIENCE — Top Row: Mr. Smith, David Thomsen, Tim Larsen, Richard Barnhart, Larry Stecher, Gaynor Lunquist, Richard Graham. **Bottom Row:** Bob McGirk, Dean Hubbard, Allen Butterfield, Joe Thomas.

AUTO MECHANICS: Bob Anderson, Mike Smith, Rick Weaver.

PING PONG ENTHUSIASTS — Top Row: John Craig, Ernie Goshorn, Paul Apland, Tom Milless. **Second Row:** Lyman Pease, Marvin Reinke, Jack Larsen. **Bottom Row:** Judy Aos, Marilyn Baker, Richard Johnson, Pat McFarland.

WOODSHOP

Another of the many varied activities offered to the students at Snohomish High last year was woodshop. In this activity students were taught through their own individual projects the basic uses of tools in wood working. The skills learned by the students in this activity may someday aid them in choosing their life's work.

PING PONG

One of the indoor sports activities offered to the students at Snohomish High School last year was ping pong.

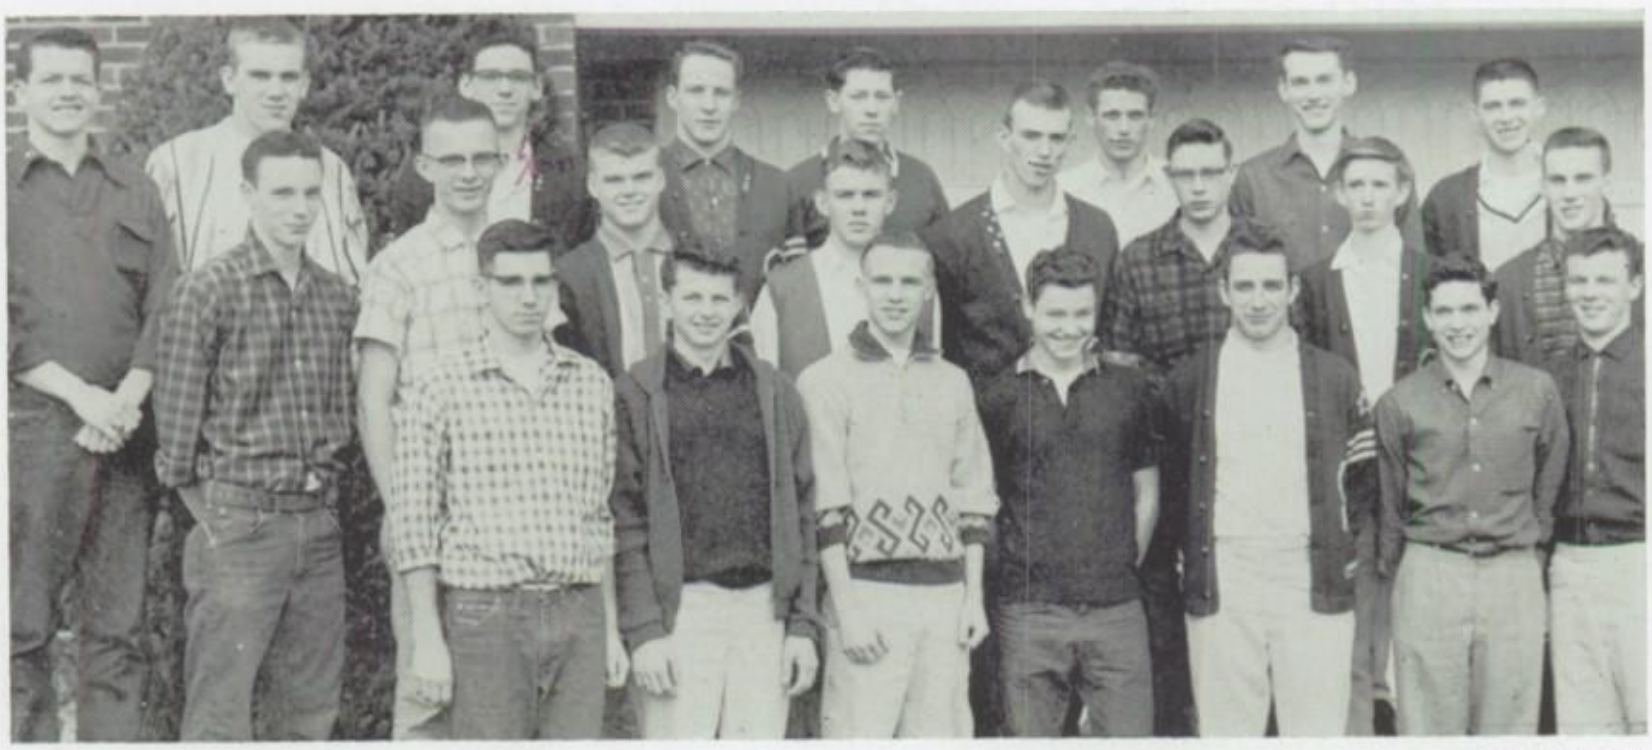
In this activity people who were interested in and enjoy playing the game were given a chance to improve their skills. Round-robin tournaments were held within the group throughout the 1959-60 school year.

FIREMEN

At the present time, good fire protection is essential. During the past year S.H.S. had many fire drills, and safety rules were stressed by the firemen.

Under the able guidance of the S.H.S. firemen and fire chief, Bud Rothgeb, the school was well prepared to meet any fire emergencies that might arise.

FIRE PREVENTERS — Top Row: Wade Walters, Lewis Wilkins, Tom Gilpin, Dean Dolquist, Micky Bauer, Fritz Meeske, Rick Kester, Leland Wise. **Second Row:** Bill Kelly, Perry Hedahl, Maury Hedlund, Larry Fransson, Alan McElhaney, Jim Richardson, Garry White, Bud Rothgeb. **Bottom Row:** Dick Clemans, Dallas Rabenstein, Jon Gobiet, Jack Wright, George Willis, Joe Banks, Dennis Jarrett.



SPANISH CLUB — Top Row: John Aarstad, Ralph Kelley, Gordon Prentice, Ross Purdy, Larry Collins, Bill Knittel, Bill Bates, Bob Knittel, Dave Butler, Harold Beck, Jay Cedergreen, Jenner Williams, Larry Ward, Dale Brady, Garry White, Bud Rothgeb. **Third Row:** Cherie Bennett, Sue Erlandson, Nora Kincaid, Charles Petterson, Dean Dolquist, Mickey Clapp, Guy Kinkead, Jacque Higgins, Rita Bricker, Miriam Schutt, Wanda Larsen, Ellen Morrison, Nancy Laz, Mr. Kennedy. **Second Row:** Karen Anderson, Susan Hays, Melody Clemans, Pat Crabbs, Janet Rainwater, Judy Ashcraft, Judy Church, Helen Rodland, Marilyn Baker, Kay Troupe, Ann Wold, Claire Brady. **Bottom Row:** Clark Nixon, Pat McFarland, Bob Hendrickson, Ann Waltz, Laurie Vanderhyde, Chris Minshull, Dani White, Sandy Heike.

SPANISH CLUB

The Spanish Club was formed in September, 1959, after having previously been a part of L.K.E., a Latin-Spanish foreign language club.

The purpose of the club was to promote a better understanding and appreciation of foreign lands, their peoples, and all aspects of their cultures, especially with reference to the Spanish-speaking nations.

LATIN CLUB

A newly organized club at Snohomish High School this year was Advocati Latini, students of Latin. The purpose of the Latin Club was to promote an interest in other countries and their customs.

Some of the activities of the club this year were movies, speakers, and a combined Spanish-Latin banquet.

HONOR SOCIETY

More students were members of Honor Society during this past year than in previous years. In the years to come those persons who have shown that they are honor students will play major roles in the development of our nation.

The purpose of Honor Society was to give recognition to students who had shown superior scholarship in all their classes. By giving this recognition to worthy students, underclassmen were given an incentive to study more diligently.

To be a member of Honor Society a cumulative 3.0 grade-point average was necessary. This average was calculated from the three years of high school.

FUTURE FARMERS OF AMERICA

Highlighting this year's F.F.A. schedule were the numerous judging trips which were attended by the Snohomish F.F.A. judging teams. These teams consisted of Dick Anderson, Ethan Allen, Lyle Roetcisoender, Dan Bartelheimer, Bill Kelly, Wesley Marson, and Greg Gustafson.

The dairy judging team had their best showing at the Carnation Farms Contest in which they took third place. They also attended contests at the Pacific National Exposition, at Vancouver, British Columbia; the Skagit County Fair, at Mount Vernon; the Lynden Fair, at Lynden; the Evergreen State Fair, at Monroe; and the Western Washington Fair, at Puyallup.

The animal husbandry team competed at the Evergreen State Fair where they took first place and participated in contests at Chelan County Fair, Yakima State Fair and Auburn Fat Livestock Show. The poultry team tied for second at the Evergreen State Fair at Monroe and took fourth at the Washington Junior Poultry Exposition at Puyallup.

The F.F.A. officers for this year were: Bill Kelly, president; Dick Anderson, vice president; Jon Marshall, secretary; Dan Bartelheimer, treasurer; Ethan Allen, reporter; Dan Bedker, sentinel; and Jo Anne Kirkland, chapter sweetheart.

Two of the members of the local chapter entered applications for state farmer. Members were Ethan Allen and Dan Bartelheimer, who will attend the convention at Washington State University.

USEFUL HELPERS: Joe Donoghue, Clarence Hardy, Charles Pichler, Mr. Shorrock, Lewis Hansen, Joe Brosius.

PHOTOGRAPHY

Photography is an activity which was set up to help promote and fulfill individual interests in the techniques of dark room work. During the course of the year the students were taught to develop their own negatives and also to process their final prints.

It is to the credit of Mr. Walker that this photography activity was possible.

DEBATE

A comparatively new activity at S.H.S. was debate. Miss Tarr served as the adviser for this group, which met during activity period.

The school debate team, whose members came from this activity, practiced public speaking and expressing opinions in the debate activity.

PANTHER PATROL

The clean grounds of Snohomish High School can be attributed to a small but industrious group of boys who were members of Panther Patrol. This group, under the direction of Mr. Shorrock, took charge of the grounds every activity period.

FRENCH

Progress was very definitely shown in the number of activities that S.H.S. had this year. A new activity, French, was organized by Miss Doyle.

Here the students learned French in a different way from which most foreign languages are usually taught. As the year closed, so did the French lessons, but the students left this class with a better understanding of France and the language.

INTERESTING SPEAKERS — Top Row: Miriam Schutt, Sharon Telgenhoff, Judy Ashcraft, Jon Gobiet, Perry Hedahl, Rick Yoder, Karen Poier. **Bottom Row:** Bonni Hendrickson, Mari Lana Lervick, Sondra Henrichs, Marvel Johnson, Bonnie Bennett, Madeline Brandsma.

BEGINNER'S LUCK

Those persons who possess the ability to express themselves through creative writing will be of great importance to this progressive nation. Again this year S.H.S. had a third publication, which was known as Beginner's Luck, the creative writing magazine. Mr. Boling, one of the many English teachers, was the adviser for this publication.

The staff members met every activity period and worked on the magazine. This year the English teachers required each student to submit some type of article to Beginner's Luck. Consequently, the staff was kept quite busy reading potential manuscripts.

DRILL TEAM

Snohomish High School has always been proud of its drill team, and this year was no exception.

This year the drill team members practiced diligently in the hours before school so that they could perform successfully in behalf of the school. The drill team and the band worked out many difficult marching routines which intrigued the spectators.

Mrs. Elfstrom, the drill team adviser, and the members and their officers, Captain Bonnie Bennett, Lieutenant Darlene Howell, and Sergeant at Arms Mary Minshull worked together to make the 1959-60 year a success.

BEGINNERS' LUCK — Top Row: Gene Wanechek, Sandy Farabee, Ron Morton, Pat Davis, Mr. Boling. **Bottom Row:** Janet Haynes, Sharon Ferguson, Anne Waltz, Nikki Navarre, Judy Floyd.

ALL SCHOOL PLAY

A three act comedy entitled "Mother is a Freshman" was presented by the S.H.S. students on April 28 and 29.

Under the direction of Miss Tarr, the play cast was chosen, the play rehearsed and the stage hands and committee chairmen were directed. This year two leading ladies were chosen to share each of the two leading roles. In this way one pair would be in Thursday's performance, and the other pair would perform on Friday night.

The play concerns a young widow who uses all of her husband's insurance money and is forced to attend college with her daughter in order to obtain money from a seldom used scholarship. Susan, a sophomore at Pointer College, is humiliated by her mother who is only a freshman. From this problem develop many amusing situations.

SENIOR PLAY

On November 19 and 20 the class of "60" presented "Our Hearts Were Young and Gay" as their senior play.

The play, a three act comedy about two flapper girls, rocked the audience for two consecutive nights. The high light of the play came when the scenes shifted from shipboard to a Paris hotelroom. Larry Countryman designed the stage set to allow for a complete change in setting.

The play tells the experiences of two college girls taking their first trip to Europe without their parents. They demonstrated their emancipation from parental authority by dating medical students, capturing a stowaway, and taking acting lessons from a French actor.

SENIOR ENTERTAINERS — Top Row: Ross Purdy, Jim Poier, Dan Higgins, Perry Hedahl, Melvin Hansen, Becky Bueler, Miss Tarr. **Second Row:** Barbara Dubuque, Jon Gobiet, Joe Banks, Diane Welsh, Janice Berg. **Bottom Row:** Mari Lana Lervick, Madeline Brandsma, Marvel Johnson, Sondra Henrichs, Mary Roetcisoender.

ACKNOWLEDGEMENT

The 1960 Kla Ta Wa staff would like to thank our adviser, Miss Fowler, for her help and guidance in publishing our annual.

Our thanks also go to Miss Doyle who spent many hours correcting copy, to Crowns Studio who took all the activtiy pictures, to Western Engraving for engraving our pictures, to Bayless Bindery for binding the books, and the Snohomish County Tribune for the printing.

Also, we would like to thank three students, Larry Countryman for the art work throughout the yearbook, Glenn Warner for taking some of the pictures, and Dick Clemans for writing the sports copy.

The Annual Staff

Dear Allan,

This is about the only place I could find to write so I hope you don't mind. I just don't know where to begin but I will just right. I can remember the times in the eight grade when we had Mr. Iverson for a teacher. We sure had some good times then. I still have the little car that you gave me for my birthday in the 9th grade. That was sure a nice car. During our sophomore year we didn't get any classes together or we didn't even hardly even talk. Then there came the Junior year. We started that year out right by having our first period together. That always makes the day fine ~~to~~ after sitting next to you in typing. I enjoy every minute of it. Well Best of luck in the future And I hope we get a class or two together next year.

Have fun this summer.

Love
Donna

Dear Allen,

What a time we've had in Geometry class. You always copying my paper, reading my notes, or borrowing something. Then after all this cheating and all the wickedness you ask me to go to church. Boy! I could hardly believe my self when you, so wicked and evil, wanted me to go to church. Of course, you know that I'm just kidding and maybe we'll get study hall or some other class together next year. Maybe I'll see you during the summer.

Lots of luck in the years to come.

Love,
Marie M.

Dear Allen, I should say Alley. Lots of luck in the Senior year. I will be seeing for a lot next year. Especially since we a both officus in YFC. I hope you will be in some of my classes next year. Just thinks we will be Mighty Mighty Seniors and will graduate next year. Rember how you smashd my finger in that chair. I will never forget that because it hurt. Och! no shriously its fine.

Lots of luck
